NARRATIVE				

On Saturday 06/10/2017, I, Ofc Benjamin Wood #121, met with [REDACTED] at post I. [REDACTED] said he has not been able to contact YINGYING ZHANG since 6/9/17 and feared that she was missing. [REDACTED] said ZHANG is an international student who is new to the area and has no friends or family besides himself and the two females that were with him. [REDACTED] said they had been trying to call ZHANG'S cellphone [REDACTED] since yesterday and have not been able to get ahold of her. [REDACTED] said the last time anyone had spoken to ZHANG was on 6/9/17 at around noon. [REDACTED] said they tried to call ZHANG at approximately 0915 hours this morning and the phone no longer rings.

[REDACTED] said that he is concerned for ZHANG'S safety. I asked him if she was a danger to herself or others. [REDACTED] said [REDACTED] said he was also concerned because [REDACTED] neighbor, [REDACTED] had reported seeing five Asian males arrive in a vehicle, look into [REDACTED] apartment, take pictures, and then leave the area. [REDACTED] said he could not describe the car, but believed that the incident was reported to the Orchard Downs housing office.

[REDACTED] said that ZHANG was supposed to sign a lease with the One North apartment complex and that he was going to speak to the management to see if she showed up there. I told [REDACTED] I would meet him there after I tried to get a track on ZHANG'S phone.

I called ZHANG'S phone carrier, H2O Wireless, and learned that they operate on AT&T towers. I called AT&T's law enforcement number, explained the situation and asked if they could give me the last known GPS coordinates for the phone. I received an email from AT&T showing the phone last connected to an AT&T tower at 19:28 GMT (1428 hours) at Longitude 008 14 30.044W and Latitude 040 06 48.679N. I used www.gps-coordinates.net to convert the longitude and latitude to an address. It showed that the phone was last at 201 S Chestnut St, Champaign, IL 61820.

I went to meet [REDACTED] at the One North management office. [REDACTED] informed me that he had spoken with the management and they said ZHANG had contacted them yesterday at approximately 1330 saying that she would be late to sign her lease, but she never showed up at the office.

Sgt Aaron Landers #271, Ofc Troy Chew #160 with K9 Suri and myself searched the area, but did not locate anything. I went to the Illinois Terminal and checked with Amtrak and Greyhound, but neither had any record of ZHANG.

I printed screenshots of the map showing the last known location to ZHANG'S cellphone and the email I received from AT&T and attached them to this report.

Officer Injured:	Use of Force: N		

NARRATIVE

On 06-14-2017 at 0710 hrs. I, Sergeant Gene Moore spoke with Sergeant Matt Koppman with the Parkland College Police Department. He has access to CARFAX for Police. He had already looked into this case based on information from the news media. He was able to locate several wrecked Saturn Astra's in the system, but none from Champaign County. He didn't believe the system would help us with the current information. Sgt. Koppman believed the vehicle to be a Saturn Astra XE model based on the combination of specific rims and a difference in grills between the other models.

There is nothing further.

NARRATIVE

On 06-13-2017 at 1200 hrs. I, Sergeant Gene Moore spoke with Joe Barnes, Chief Privacy & Security Officer for University of Illinois Technology Services. He agreed to have his security analyst Eric Hays "image" or make a copy of Yingying's laptop computer.

At 1300 hrs. Det. Murphy took possession of Yingying's laptop computer (E-44564) and delivered it to Eric Hays at Technology Services. Hays was told to create two copies, one for UIPD evidence purposes and one for FBI review. Det. Murphy later informed me that the process would take a couple of days due to the amount of data.

There is nothing further.

On Tuesday June 27th, 2017 at approximately 9:29 am I received a voice mail from Brendt Christensen. In the voice mail he asked me for an itemized list of what items we seized from his apartment when we executed a search warrant at his apartment. He asked for a call back at TX# [REDACTED]

On June 28th, 2017 at approximately 1:00 pm I called Christensen back. He answered the phone and I introduced myself. He asked if he could receive an itemized list of what was seized from his apartment because he did not know what was taken. I informed him that UIPD did not provide itemized lists. He also asked if and when he would be getting his shoes back. I

NARRATIVE

On 06/6/17 I, Detective Murphy, verified I-card usage of Brendt Christensen and Yingying Zhang by the I-card office as well as UIPD.

According to John Ealy, senior associate director of I-card programs, Christensen only used his I-card one time to swipe into an Engineering career fair on 02/07/17. Ealy then said Zhang has never used her I-card on campus.

In checking with the University of Illinois Police department, UIPD, they had no records of either person using their I- cards to access doors on campus.

NARRATIVE

On 06-17-2017 at approximately 1000 hrs. I, Sergeant Gene Moore and FBI S/A Katherine Tenaglia met with [REDACTED] in the lobby of UIPD. [REDACTED] came in voluntarily to give a DNA sample.

We escorted [REDACTED] to the UIPD DUI processing interview room. I explained the process to obtain a buccal swab for her DNA. I gave [REDACTED] a bottle of water and asked her to rinse her mouth out prior to using the swabs. I wore latex gloves, opened the swab package and instructed her to rub the inside of left cheek with it. She placed the swab into the swab container before repeating the procedure inside her right cheek.

I sealed the box containing the swabs, placed it into the buccal swab envelope and secured the envelope inside the larger Illinois State Police

NARRATIVE

On June 21st, 2017 at approximately 3:30 pm I met with [REDACTED] at YingYing's residence, 2013 S Orchard St, Apt D, Urbana, at their request. They requested to meet with me to receive an update on this case.

I met them at the residence Orchards Downs staff provided to them and we traveled to 2013 Orchard Downs. Upon arrival I removed the evidence seal from the front door and allowed them into the house.

While inside they were advised to not remove any items from the residence. The group wanted to know if we needed help with review of video, because they had volunteers that would be willing to review it. I told them that would not be an option. I later confirmed this with DC Myrick.

They asked if we had been focusing on video and cell phone information in the area where YingYing got into the Saturn and where her phone last pinged. I explained that was underway and we have been canvassing these areas.

They asked how they could get more people working on this case. I explained we had several agents, officers and detectives working around the clock on this case.

Lastly they asked if we had work their volunteers could do. I explained to use the volunteers to search wooded areas, public areas and parks for

YingYing and report where and when they searched to the tip site or UIPD police page. They said they would.

Lastly I asked for and received a buccal swab of [REDACTED] I later packaged and labeled the swab as evidence and placed into evidence at UIPD. E tag # 45443

I then placed a piece of evidence tape to seal the front door of YingYings residence.

End of report.

NARRATIVE

On June 20th, 2017 at approximately 11:35 am I and Champaign County ASA Dan Clifton met with Champaign County Circuit Judge Roger Webber in his office. We presented a search warrant for Brendt and [REDACTED] located at Busey Bank, 100 W University Ave, Champaign Illinois. After review Judge Webber signed the warrant a granted a search of the box. See attached search warrant.

On this same date at approximately 3:45 pm Lt Brown and I met with Busey Bank Vice President Heidi Ponder at Busey Bank. I brought the Christensen's safe deposit key [REDACTED] Exhibit # 44866 which was seized during a search of their residence. Lt. Brown photographed items in the box which were all paper documents and a passport for Brendt Christensen. The camera malfunctioned and Lt Brown was not able to complete photographing the contents. Lt Brown will complete a report of his activities. I seized the box and brought it back to UIPD. I photocopied all the contents and attached them to this report.

Later Heidi Ponder provided me with subscriber information and signature card information. The last time anyone entered this box was May 23rd, 2016.

On June 21st, 2017 I returned the box and the contents, with the exception of Christensen's passport, to Busey Bank. I then resealed Exhibit #44866 and placed back into evidence at UIPD.

End of report.

COMPLAINT AND AFFIDAVIT FOR SEARCH WARRANT

University of Illinois Police Department Lieutenant Tom Geis, Complainant and Affiant, (hereinafter referred to as "Complainant and Affiant") now appears before the undersigned judge of the Circuit Court of Champaign County and requests the issuance of a warrant to search the premises of THE BUSEY BANK BUILDING LOCATED AT 100 WEST UNIVERSITY AVENUE, CHAMPAIGN, CHAMPAIGN COUNTY, ILLINOIS AND SAFE DEPOSIT BOX [REDACTED] LOCATED WITHIN SAID BUILDING and seize therefrom (and subsequently analyze) the following items, instruments, articles, and/or things which may have been used in the commission of, or which may constitute evidence of, the offenses of UNLAWFUL RESTRAINT and KIDNAPPING:

ITEMS TO BE SEIZED: Records, documents, and/or other items located at/within THE BUSEY BANK BUILDING LOCATED AT 100 WEST UNIVERSITY AVENUE, CHAMPAIGN, CHAMPAIGN COUNTY, ILLINOIS AND SAFE DEPOSIT BOX [REDACTED] LOCATED WITHIN SAID BUILDING which indicate ownership, use, and/or access to said safe deposit box, including – but not limited to – signature cards and/or login/logout records, trace evidence (including – but not limited to – hairs, fibers, soil, DNA, and/or, bodily fluids); latent fingerprint testing, forensic testing/photography; articles of clothing and/or other items belonging to and/or worn by Yingying Zhang (including – but not limited to – a dark-colored baseball cap, a long-sleeved pink and white shirt, an undershirt, jeans, white shoes, eyeglasses/sunglasses, and a navy blue backpack); items used (or capable of being used) to harm, threaten, mislead, coerce, confine, restrain, silence, and/or drug Yingying Zhang; items which may have been used in or that pertain to the contemplation, planning, execution, memorialization, and/or concealment of – or communicating about – said offenses (including – but not limited to – cellular telephones, electronic devices/media, records, receipts, notes, and/or other documents); and/or items which might indicate the current/recent whereabouts of Yingying Zhang.

As part of this Complaint and Affidavit for Search Warrant, Complainant and Affiant hereby requests express permission for the forensic analysis of any cellular telephones/electronic devices/media seized and the decryption of any encrypted data/information stored on or within such telephones/devices/media.

Complainant and Affiant states that he has probable cause to believe, based upon the following facts and information, that the above-listed items may be located upon or within the premises to be searched:

1. Complainant and Affiant Lieutenant Tom Geis states that he is, and for the last seventeen years has been, a police officer for the University of Illinois Police Department, that he is currently assigned to said agency's Detective Bureau, and that he is familiar with kidnapping and unlawful restraint investigations.
2. Complainant and Affiant states that the facts set forth below are based on information Complainant and Affiant has received from other individuals (including other law enforcement officers) who gained personal knowledge of the events and circumstances described in this Complaint and Affidavit while participating in an ongoing joint investigation involving the University of Illinois Police Department (UIPD), the Illinois State Police (ISP), and the Federal Bureau of Investigation (FBI), as well as from Complainant and Affiant's review of documents related to said investigation and his own training and experience. Complainant and Affiant submits this Complaint and Affidavit for the limited purpose of demonstrating that there is probable cause to support the issuance of a warrant to search the above-described premises and to seize and analyze the above-listed items. This Complaint and Affidavit does not purport to set forth all of Complainant and Affiant's (or other individuals') knowledge of this investigation. Unless specifically indicated otherwise, all conversations and statements described in this Complaint and Affidavit are set forth only in summary and in part.
3. Complainant and Affiant states that on June 9, 2017, Yingying Zhang (hereinafter referred to as "Zhang"), a Chinese national and University of Illinois visiting scholar with a date of birth of December 21, 1990, informed her colleagues at approximately 12:30 P.M. that she intended to meet a manager at the One North apartment complex in Urbana to sign a lease. At approximately 1:29 P.M., Zhang sent a text message to said manager advising that Zhang would arrive at the apartment complex at approximately 2:10 P.M. University of Illinois and Champaign-Urbana Mass Transit District (CUMTD) surveillance systems indicate that at approximately 1:35 P.M., Zhang boarded a bus at the CUMTD's Orchard Downs South shelter (located near the intersection of South Orchard and West George Huff Drives, Urbana). At approximately 1:52 P.M., Zhang exited said bus in the area of Springfield Avenue and Matthews Street, Urbana.
4. Complainant and Affiant states that at approximately 1:56 P.M., Zhang was observed unsuccessfully attempting to flag down the 220N Illini Limited bus near the intersection of Springfield Avenue and Matthews Street. Zhang was subsequently observed on foot at the CUMTD bus stop located at the southeast corner of Goodwin Avenue and Clark Street. At approximately 1:58 P.M., a black 2008 Saturn Astra (hereinafter referred to as "the Astra") was observed traveling eastbound on Stoughton Street near Wright Street, turning northbound on to Wright Street. At approximately 2:00 P.M., the Astra was observed traveling eastbound on University Avenue, turning southbound on Goodwin Street, then traveling eastbound on Clark Street, passing by Zhang. At approximately 2:03 P.M., the Astra was observed traveling westbound on Main Street, approaching Goodwin Avenue, then turning northbound on Goodwin Avenue and stopping next to Zhang. Zhang was observed speaking with the driver of the Astra for approximately one minute before entering the Astra. The Astra – with Zhang inside – then traveled north on Goodwin Avenue and crossed University Avenue. Zhang was last observed wearing a dark-colored baseball cap, a long-sleeved pink and white shirt with an undershirt, jeans, white shoes, and eyeglasses. She also had a navy blue backpack.
5. Complainant and Affiant states that at approximately 2:38 P.M. the manager whom Zhang intended to meet at the One North apartment complex sent a text message to Zhang, but received no response.

6. Complainant and Affiant states that at approximately 9:24 P.M., University of Illinois [REDACTED] [REDACTED] contacted the University of Illinois Police Department to report that Zhang was missing. The responding officer met with [REDACTED] and Zhang's colleagues, who advised they had not been able to contact her for several hours. Zhang had previously informed [REDACTED] and her colleagues that she would be signing a lease at an area apartment complex and would return shortly thereafter. When Zhang did not return, they placed multiple calls to her cell phone, all of which went unanswered. [REDACTED] met UIPD officers at Zhang's apartment (2013 South Orchard Drive, Apartment D, Urbana); officers searched for her in her apartment, but it was vacant.
7. Complainant and Affiant states that [REDACTED] provided UIPD with the phone number [REDACTED] for Zhang, as well as her e-mail addresses: [REDACTED] and [REDACTED].
8. Complainant and Affiant states that UIPD contacted AT&T, described this incident, and requested assistance under exigent circumstances. AT&T provided cellular records for Zhang's telephone, which indicated that, after the text message Zhang sent to the manager of the One North apartment complex, all incoming telephone calls were routed to voicemail.
9. Complainant and Affiant states that UIPD had repeated contact with [REDACTED] and Zhang's colleagues throughout the weekend following her disappearance. On June 12, 2017, [REDACTED] advised UIPD that Zhang had left her laptop in their workspace inside Turner Hall. [REDACTED] then turned Zhang's laptop over to UIPD.
10. Complainant and Affiant states that on June 12, 2017, an [REDACTED] search was conducted for all Saturn Astra vehicles located within the state of Illinois. Approximately eighteen four-door Astras were identified as registered to addresses in the Champaign County area. Physical surveillance was attempted at said locations. Nine of said vehicles were identified as being colors other than black. Eight of said vehicles could not be located and verified, but additional record checks indicated that six of said vehicles are registered out-of-state.
11. Complainant and Affiant states that on June 12, 2017 contact was made with the registered owners of a black Saturn Astra with a sunroof located in the apartment complex parking lot associated with 2503 West Springfield Avenue, Apartment #b2, Champaign, the registered owners of said vehicle – Brendt A. Christensen (hereinafter referred to as "Brendt") and [REDACTED] (hereinafter referred to as "[REDACTED]") – reside in said apartment.
12. Complainant and Affiant states that on June 12, 2017, an interview was conducted with Brendt Christensen, who advised officers he was playing video games and/or sleeping all day on June 9, 2017. When questioned, Brendt stated that he received a text message from a girl named [REDACTED] (or [REDACTED]) at approximately 1:00 P.M. on June 9, 2017, which he replied to at approximately 4:00 P.M. that same day. Brendt stated that his phone number was [REDACTED] and his e-mail address was [REDACTED]. [REDACTED] stated that she was on a trip to Madison,

Wisconsin on June 9, 2017 and stated that her phone number was [REDACTED]

13. Complainant and Affiant states that on June 13, 2017, agents confirmed that Saturn Astras were only manufactured for United States sales in 2008 and 2009.
14. Complainant and Affiant states that on June 14, 2017, officers again observed the Christensens' Astra in the parking lot of their apartment complex and noted a damaged spot on the passenger side front hubcap of said vehicle that matched a damaged spot on the Astra that surveillance video showed Zhang entering on June 9, 2017. Officers also interviewed the Christensens again.

Brendt initially stated that he was at home alone all day playing video games and did not leave his apartment. He eventually admitted that on June 9, 2017 he picked up an Asian female in the Christensens' black Astra on the corner of Clark Street and Goodwin Avenue in Urbana. He told officers that he stopped and asked the Asian female if she needed a ride. She told him she was late for an appointment and, after some discussion, agreed to let him give her a ride. He further stated that he drove her north on Goodwin Avenue for a couple of blocks then turned into a residential area, whereupon she "freaked out" – so he stopped the car, she exited it, and he drove away without observing her direction of travel.

[REDACTED] told officers that she and Brendt have an "open" marriage. She described Brendt as selfish, a good liar, and having an addictive personality. She further stated that in December of 2016, Brendt drank an entire bottle of rum, then told her that he had "daydreams" about killing small animals and even people and that he was bored with life and wondered what it would be like to kill someone. He also told her that his favorite book was "American Psycho" because the main character did not care about anyone or anything. The next day, [REDACTED] confronted Brendt about his comments the night before; he stated he did not remember said comments, but admitted having "passing thoughts" about murdering someone. She reiterated that on June 9, 2017 she was in Wisconsin with her boyfriend and did not return until June 11, 2017. When she returned, she asked Brendt what he did over the weekend; he told her he ran a couple of errands, but for the most part stayed home. He also told her that he cleaned their Astra on Saturday (June 10). [REDACTED] also stated that on June 12, 2017 around noon or 1:00 P.M. she saw Brendt remove a large green duffel bag from the closet in the kitchen. She observed that the bag was not empty, but was also not completely full. Brendt told her that he had bought a cat tree for his [REDACTED] and was going to deliver it to her. He then left their apartment. Brendt later told [REDACTED] that he spent the afternoon of June 12, 2017 with [REDACTED]. On June 15, 2017, [REDACTED] about the duffel bag and cat tree and [REDACTED] told her that she never received the cat tree or saw the duffel bag. [REDACTED] also told [REDACTED] that Brendt did not meet [REDACTED] until 4:30 P.M. on the afternoon of June 12 and that he told her he had been helping [REDACTED] with a computer issue earlier that afternoon. [REDACTED] stated that Brendt did not help her with a computer issue that afternoon. [REDACTED] also checked the Amazon.com account she shares with Brendt and their financial accounts and could not locate a purchase of a cat tree. On June 13, 2017, [REDACTED] said that she and Brendt went to the Refinery Gym to work out. Afterwards, Brendt told her he was going to wash their Astra again. She thought it was odd that he washed the Astra twice in three days, given that he had previously only done so a couple of times since they purchased it in 2012. [REDACTED] also stated that on June 14, 2017, she noticed the gas tank on the Saturn Astra was only half full, which she thought was inconsistent with Brendt's statement that he stayed home all

weekend and only ran a few errands. She felt that, given the amount of gas consumed from the last time she filled the car up on June 8, 2017, Brendt would have had to do a lot more driving over the weekend than he stated.

15. Complainant and Affiant states that on June 15, 2017, FBI agents and UIPD officers searched the Christensens' Astra pursuant to the authority of a federal search warrant. Evidentiary processing of said vehicle is still ongoing.
16. Complainant and Affiant states that on June 15, 2017, ISP and UIPD officers conducted a search of the Christensens' residence at 2503 West Springfield Avenue Apartment B2, Champaign, Illinois pursuant to the authority of a state search warrant. Evidentiary processing of items found within said premises is still ongoing, but during the search said apartment officers located a safe deposit key with the [REDACTED] embossed on it on a key ring with the fob for the Christensens' vehicle.
17. Complainant and Affiant states that as of June 20, 2017, Ying Ying Zhang has not been located. UIPD, ISP, and FBI agents are seeking to examine items that may be found in the above-described safe deposit box and compare them to items found during searches the Christensens' Astra and apartment in hopes of finding evidence of the above-named offenses or of Zhang's current/recent whereabouts.
18. Complainant and Affiant states that on June 19, 2017 he spoke with Heidi Ponder, Busey Bank's Vice President, Senior BSA, and Fraud Manager. Ponder confirmed that the safe deposit box with the number [REDACTED] currently rented by the Christensens and the Busey Bank building where said box is located are accurately described as THE BUSEY BANK BUILDING LOCATED AT 100 WEST UNIVERSITY AVENUE, CHAMPAIGN, CHAMPAIGN COUNTY, ILLINOIS AND SAFE DEPOSIT [REDACTED] LOCATED WITHIN SAID BUILDING

Complainant and Affiant Lieutenant Tom Geis of the University of Illinois Police Department, sworn and under oath, deposes and states that he has read the foregoing Complaint and Affidavit and that the facts and information set forth therein as stated by him are true to the best of his knowledge and belief.

Are you wondering why you did not receive your title?

When you take out a loan on a vehicle, the title will now be delivered to the lender.

Due to new legislation, Wisconsin joins 38 other states in delivering titles to lenders. This means that any title with a lien listed as of July 30, 2012 will be sent to the lien holder rather than the owner. As the owner of the vehicle, you are receiving this Confirmation of Ownership (form T056) and will receive the actual title when all liens have been paid.

If you need your title for any reason, including selling or refinancing your vehicle, please contact your lien holder for assistance.

For more information regarding the changes associated with this new law, please read the back of the enclosed Confirmation of Ownership (form T056) or visit: <http://liens.dot.wi.gov>

LICENSE PLATE / STICKER INFORMATION

[REDACTED]
Your plates and stickers will be mailed separately.

Carry this notice in your vehicle with your Certificate of Registration.

Wisconsin DMV will mail new license plates (number shown on the enclosed Certificate of Registration) and stickers separately if they are not enclosed or handed to you. If you did not request new plates, you are receiving them because state law requires the replacement of older plates.

Regular plates and stickers should arrive in 10 to 14 days. Special/personalized plates and stickers should arrive in 4 to 6 weeks.

If you currently have plates, keep them on the vehicle until your new plates arrive. You must destroy your old plates after you put the new plates on your vehicle. You may not operate an auto or truck registered at 8,000 lbs. or less without license plates.

If you have questions about regular plates, e-mail: vehiclequestions@dot.wi.gov OR call 608-266-1466.

If you have questions about special/personalized plates, e-mail: special-plates.dmv@dot.wi.gov OR call 608-266-3041.

LEASE AGREEMENT

THIS LEASE, made this 15th day of April, 2013, by and between Lessor, Royse & Brinkmeyer Apartments, hereinafter called Lessor, and Brendt Christensen, hereinafter called Lessee.

Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor Apt. No. B-2, of building at 303 W. Springfield Ave., Champaign, Illinois, to be used as a private residence and for no other purpose, from 8/1/13, at 12:00 P.M. (NOON), to 8/1/14, at 12:00 P.M. (NOON).

The above setting is upon the express covenants and conditions contained in this Lease Agreement, all of which the parties covenant and agree to keep and perform:

1. **POSSESSION.** Rent shall be payable as of the beginning of the lease term unless Lessor is unable to give possession. Lessor shall not be liable for failure to give tenant possession of the rental unit on the beginning date of the term. If Lessor is unable to give possession, Lessor shall provide tenant with a similar or better apartment at no increase in rent.
2. **RENT; PAYMENTS; FEES.** Rent is to be paid on the 1st day of possession, and on or before the 1st day of each succeeding calendar month thereafter until payment is made in full of the rent for the entire term. Lessee shall pay a fee of \$35.00 for rent not paid before the 6th day of the month. In addition, Lessee shall pay a fee of \$25.00 for any checks returned for insufficient funds or for any other reason. The Lessor reserves the right to demand any payments in cash, certified check or money order at any time at Lessor's sole discretion. Rent shall be considered paid on the date actually received at:

ROYSE & BRINKMEYER APARTMENTS

211 W. SPRINGFIELD AVENUE, CHAMPAIGN, IL 61820
(217) 352-1129

Any rent payments lost in the mail will be treated as if unpaid until received by Lessor. Lessee shall make all payments in full. All payments received shall always be first applied to outstanding balances, late fees or other charges, with the balance of the payment applied to the rent due. Payment or receipt of a payment of less than the amount stated in the lease shall be deemed to be nothing more than partial payment on that month's account. Under no circumstances shall Lessor's acceptance of a partial payment constitute accord and satisfaction. Lessor's acceptance of a partial payment will not forfeit Lessor's right to collect the balance due on the account, despite any conditional endorsement, stipulation, or other statement on any draft. The Lessor may accept any partial payment with any conditional endorsement without prejudice to Lessor's right to recover the balance remaining due, or to pursue any other remedy available under this lease. If because of a breach of this lease by Lessee, Lessor serves a Notice upon Lessee, Lessee shall become liable to Lessor for the additional sum of \$25.00 for each notice served. Any breach of this lease shall result in a fee assessed to the Lessee, as specifically stated herein; all fees reflect Lessor's increased cost to service a breach of this lease.

3. **SECURITY DEPOSIT.** Lessee, upon signing this Lease, shall pay to Lessor a deposit securing Lessee's performance of every covenant and agreement to be performed by Lessee under this Lease. THE SECURITY DEPOSIT SHALL NOT BE DEEMED OR CONSTRUED AS PAYMENT OF RENT FOR ANY MONTH OF THE LEASE TERM. Lessee hereby waives any requirement that Lessor maintain any deposit monies in an escrow or special account. Lessor's liability is not limited to the amount of the security deposit. Upon termination of this Lease, full payment of all amounts due, and performance of all Lessee's covenants and agreements (including surrender of the premises in accordance with Paragraphs 6 and 13) the security deposit or any portion thereof remaining unapplied shall be returned to Lessee within 45 days of the date that Lessor has actual knowledge that Lessee has vacated the premises. Vacation for the purposes of this Lease Agreement includes ceasing of occupancy by all Lessees, removal of all Lessee's property from the subject premises and surrender of all keys to the subject premises. Lessee agrees that if the leased premises are not returned to the Lessor in accordance with this Lease, Lessee shall be liable for Lessor's normal and customary charges associated with bringing the premises into compliance with the terms and conditions of this Lease. The parties hereto agree that upon Lessee's vacation of the premises as defined herein the security deposit shall be first applied to any unpaid rent, late charges or other charges assessed pursuant to this lease and any unapplied deposit shall then be applied to costs and expenses incurred to bring the leased premises into compliance with the terms and conditions of this Lease. Any notices required to be mailed from Lessor to Lessee in connection with the application or return of security deposit funds shall be mailed to Lessee's last known address, which, for purposes of this Agreement, shall be deemed to be the leased premises, unless Lessee has, in writing, designated a different address. The parties hereto acknowledge that more than one individual may be designated as Lessee under the Lease agreement and therefore may be contributing to the funds comprising the security deposit. The parties agree that Lessor is authorized to issue one check payable to all Lessees in payment of any unapplied security deposit funds and mail said check as is directed in writing by any one of the Lessees designated in this Lease. The Lessees so designating the place, to which the security deposit refund check is to be mailed, shall be deemed to be the agent of all Lessees under this Lease. In the absence of a written designation by Lessees as to the address to which unapplied security deposit funds are to be returned or in the event that Lessor receives conflicting directions

from the Lessees, Lessees hereby authorize Lessor to mail any security deposit refund check payable to all Lessees and addressed to the property that is the subject matter of this lease agreement. In the event that Lessees desire that said refund check be made payable differently and be sent to a different address, Lessor shall have no obligation to do so, unless Lessor receives a written direction executed by all Lessees so designating the name or names to which a payment shall be made and the address to which said payment shall be mailed.

4. **USE, SUBLET & ASSIGNMENT.** Lessee hereby agrees not to allow the leased premises to be used for any purpose other than herein specified, and will not sublet the same, nor any part thereof, nor assign this Lease, without the advance written consent of Lessor. Any attempted sublet or assignment, without advance written consent, shall be void. Lessees agree that only the individual Lessee-Signatories to this Lease or the minor children listed at the end of this lease agreement may reside in the apartment.
5. **JOINT AND SEVERAL OBLIGATIONS.** Lessees' obligations shall be joint and several. The actions and omissions of any individual Lessee shall be construed against and binding on the entirety. Lessor, in its discretion, may exercise all its rights and remedies herein against any one or more of the Lessee-Signatories herein.
6. **RULES AND REGULATIONS.** The rules and regulations of the building, as attached or as posted on the premises or delivered to Lessee and amended from time to time, constitute a part of this agreement, and shall in all respects be observed and complied with by Lessee, Lessee's guests, Lessee's children and Lessee's pets. The Lessor reserves the right to rescind or change any of the rules and regulations of the building and to make such other rules and regulations from time to time as may be deemed necessary.
7. **CONDITION OF PREMISES.** Lessee agrees to keep the premises and appurtenances in good repair and in a clean and sanitary condition and to return the premises to Lessor at the termination of this Lease or upon vacation of said premises, in the same condition as received, reasonable wear and tear accepted. If damage other than reasonable wear occurs to the leased premises or furnishings therein, Lessee agrees to immediately notify Lessor of the damage. If such damage was caused by the Lessee, his agents, guests, children or pets, the costs of such repair shall immediately be paid to Lessor by Lessee, including the cost for repair or damage to other portions of the building, if any. Lessor shall thereafter repair such damage.
8. **MAINTENANCE.** Lessor agrees, at its expense, to maintain the mechanical systems and leased appliances serving or within the leased premises in normal operating order. Lessor shall not be liable for any loss caused by defects in the building or in the leased premises. Lessor shall not be liable for any loss due to any accidental damage to the personal property of the Lessee in or about the building or the leased premises. Lessee agrees to make no claim for any such loss or damage at any time. Lessee agrees that all of Lessee's person and property in the premises or elsewhere in and about the building shall be the risk of Lessee only, and Lessee will carry such insurance as Lessee deems necessary thereto. Lessor is not an insurer of Lessee's person or possessions. Lessee shall be liable for all damages to the premises as a result of weather invasion through exposed windows and doors left open by the Lessee. Lessee shall be liable for any broken glass or mirror, regardless of cause. Lessee shall notify Lessor of any water leaks (such as a "running toilet") immediately, or shall be liable for excess water bills assessed to the Lessor. Lessee is responsible for maintaining the premises free of pests and shall pay for any desired pest control services.
9. **UTILITIES.** Lessee shall pay all utilities, except when noted, upon the subject premises for the entire term of this Lease agreement. Lessee shall cause all utilities to be billed to its name at the beginning of the lease period. If Lessee shall fail to do so or should Lessee fail to pay any utility bills that are as a result of said non payment billed to Lessor, Lessee shall be liable for any and all said charges and in addition shall also be liable to Lessee for a fee in the amount of \$25.00 for each month or part thereof that this occurs as reimbursement for Lessor's time and expense incurred. Lessee hereby authorizes Ameren Corporation to provide a utility consumption report to the Lessor at any time and without further authorization. Lessee agrees to pay any fee, upon notification by Lessor, imposed upon Lessor on a per unit or per occupant basis as a result of legislation or regulatory action.
10. **ABSENCE FROM PREMISES.** Lessee agrees that should the apartment be vacant for one or more days when freezing weather may occur, Lessee shall leave the heating system on with the thermostat set at 60 degrees and notify Lessor that the apartment will be vacant. Lessee acknowledges that Lessee will be liable for any and all plumbing repair and resultant damage caused by freezing water pipes as a result of failure to comply with this provision.
11. **PETS.** Pets are prohibited and Lessee hereby agrees not to allow or keep any pets in or about the leased premises or the building without the advance written permission of Lessor. Lessee understands that the prohibition of pets also applies to pets of Lessee's guests or visitors. If a pet is kept on the premises, Lessee agrees to pay a charge of \$100.00, and an additional charge of \$15.00 for each additional day the pet remains on the premises.
12. **PARKING.** Lessee(s) shall use only designated parking spaces provided. Lessee(s) shall not park cars in front of or by garbage containers, in front of stairs, on any portion of the lawn or sidewalks, or in areas designated as "Fire Lanes" or "No Parking Zones". Cars parked in these areas will be towed at owner's expense, immediately without notice. Driving or parking of vehicles on any portion

of the lawns or sidewalks is prohibited. Lessee(s) agrees to pay for any damages caused by such an act. Motorcycles cannot be parked on sidewalks, in patios, in stairwells or laundry rooms, inside apartments or on the lawns. The Lessor has the right to remove the motorcycle in violation upon discovery. Motorcycles and motor scooters will be permitted only in areas designated by Lessor. No inoperative or unlicensed vehicles may be parked on the property and Lessee agrees that Lessor has the right to remove the same at owner's expense. Lessee(s) is not allowed to perform maintenance on vehicles in the parking lot. Boats, trailers, recreational vehicles and trucks over one ton in size and any vehicle used in a commercial capacity require Lessor's prior written permission to be parked on the premises. Lessee(s) hereby acknowledges that Lessor employs a licensed relocater service authorized to tow vehicles in violation of these parking policies immediately at the expense of the vehicle owner. Lessee(s) shall notify guests of parking policies and ensure guests' compliance with same.

13. **SIGNS AND ACCESS.** Lessee hereby agrees to allow Lessor free access to the premises hereby leased for the purpose of examining or exhibiting the same, or to make repairs or alterations which Lessor may see fit to make; also to allow at all times "for sale" and "for rent" notices on the premises, and not to interfere with same. Lessee agrees that no sign shall be put up or painted on the building, in halls, stairways, or entrances without Lessor's written consent.
14. **RETURN OF POSSESSION.** Lessee agrees to quit and surrender the premises to Lessor at the expiration of this Lease agreement, in the same condition as received, reasonable wear excepted, and to return all keys received. If all apartment keys are not returned or a key is lost, Lessee will be charged the actual cost of rekeying and replacing all applicable locks. If Lessee does not leave the leased premises clean, and in good repair, at the expiration of this Lease agreement, Lessor will clean, paint, and repair the leased premises as needed, and the cost will be assessed to Lessee(s). Lessee agrees to pay such charges incurred promptly as assessed. Lessee agrees that it is his or her duty to remove his or her personal property before the expiration of the Lessee's Lease; therefore, Lessee hereby consents and agrees that any of his or her personal property remaining after the expiration of the Lease shall become the Lessor's property and title of said property shall vest in the Lessor.
15. **LOSS BY FIRE.** Lessee agrees that if the premises are rendered uninhabitable by condemnation, fire or other casualty, Lessor may at its option terminate this Lease or repair the premises within thirty days. If Lessor does not repair the premises within said period, or if the building is wholly destroyed, then this Agreement shall terminate.
16. **TERMINATION, HOLDOVER, RIGHT OF RE-ENTRY.** Lessee agrees that at termination of this Lease, to yield up immediate possession of the premises to Lessor and failing to do so, to pay for the whole time such possession is withheld, twice the daily rental; but the provisions of this clause shall not be held as a waiver by Lessor of any right of re-entry as hereinafter set forth; nor shall the receipt of rent, or any part thereof, or any other act in apparent affirmation of the tenancy, operate as a waiver of the right to terminate this Lease and the term hereby granted for the period still unexpired, for any breach of any of the covenants herein. In the event Lessee fails to yield possession of the premises by the expiration of this lease, Lessor, may, at its sole option, upon giving Lessee written notice, extend the term of this lease for a like period of time not to exceed one year at such rent as Lessor has stated prior to said termination date. Lessee's obligation to pay the rent during the full term of this Lease, or any extension or holdover tenancy, shall not be waived, released or terminated by service of any five day notice, demand for possession, notice that the tenancy will be terminated on the date therein named, by institution of any action of forcible detainer or ejectment, or judgment for possession that may be rendered in such action, or any other acts resulting in termination of Lessee's right to possession of the premises. It is agreed by the parties that after service of notice or commencement of a suit or after final judgment for possession of the premises, Lessor may receive and collect any rent due, and payment of rent shall not waive or affect said notice, suit, or judgment.
17. **ACCELERATION.** If default should be made in payment of rent, or any portion thereof or in any of the covenants and agreements herein contained to be kept by Lessee, Lessor shall then be entitled to recover immediately as a component of its damages, an amount equal to the unpaid rental for the balance of the rental term. Any sums received by Lessor in re-letting the leased premises during the unexpired term of the Agreement will be credited to Lessee's account.
18. **BANKRUPTCY.** The adjudication of or the entry for an Order for relief under the United States Bankruptcy Code of Lessee or any one of them, shall be an act of default pursuant to the terms of this lease agreement and Lessor shall have any and all remedies, including the right to evict Lessee.
19. **FEES AND COSTS.** If Lessor/Lessee shall at any time incur any expense, including reasonable attorney's fees, costs, and collection fees ranging from 30% to 50%, for successfully enforcing any provision of this Agreement by litigation or otherwise, the sum paid by Lessor/Lessee shall be deemed damages in favor of Lessor/Lessee against Lessee/Lessor and shall be immediately due and payable.
20. **NOTICES.** All notices or demands of any kind may be served on Lessee (as an alternative to personal service) by leaving a copy of such demand or notice at the apartment, or by mailing a copy thereof by registered or certified mail, postage prepaid, addressed to Lessee at the premises. Service shall be deemed complete at the time of leaving said notice or within five days of mailing the same.

NOTICE TO CUSTOMERS APPLYING OUTSIDE A STATE DEPARTMENT FACILITY

If you send us a check, it will be converted into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually occur within 24 hours and will be shown on your regular account statement.

You will not receive your original check back. We will destroy your original check, but we will keep the copy of it. If the EFT cannot be processed for technical reasons, you authorize us to process the copy in place of your original check. If the EFT cannot be completed because of insufficient funds, we may try to make the transfer up to two times and we will charge you a one-time fee of \$25, which we will also collect by EFT.

REMITTANCE OF FEES

Passport service fees are established by law and regulation (see 22 USC 214, 22 CFR 22.1, and 22 CFR 51.50-58) and are collected at the time you apply for the passport service. If the Department fails to receive full payment of the applicable fees because, for example, your check is returned for any reason or you dispute a passport fee charge to your credit card, the Department of State will take action to collect the delinquent fees from you under 22 CFR Part 34 and the Federal Claims Collection Standards (see 31 CFR Parts 900-904). In accordance with the Debt Collection Improvement Act (Pub.L. 104-134), if the fees remain unpaid after 180 days and no repayment arrangements have been made, the Department will refer the debt to the Department of Treasury for collection. Debt collection procedures used by Treasury may include referral of the debt to private collection agencies, reporting of the debt to credit bureaus, garnishment of private wages and administrative offset of the debt by reducing or withholding eligible federal payments (e.g. tax refunds, social security payments, federal retirement, etc.) by the amount of your debt, including any interest penalties or other costs incurred. In addition, non-payment of passport fees may result in the invalidation of your passport. An invalidated passport cannot be used for travel.

OTHER USES OF SOCIAL SECURITY NUMBERS

Your Social Security Number will be provided to Treasury, used in connection with debt collection and checked against lists of persons ineligible or potentially ineligible to receive a U.S. passport, among other authorized uses.

ELECTRONIC PASSPORT STATEMENT

The Department of State now issues a type of passport book containing an embedded electronic chip and called an "Electronic Passport". The electronic passport book continues to be proof of the bearer's United States citizenship/nationality and identity, and looks and functions in the same way as a passport without a chip. The addition of an electronic chip in the back cover enables the passport book to carry a duplicate electronic copy of all information from the data page. The electronic passport book is usable at all ports-of-entry, including those that do not yet have electronic chip readers.

Use of the electronic format provides the traveler the additional security protections inherent in chip technology. Moreover, when used at ports-of-entry equipped with electronic chip readers, the electronic passport book provides for faster clearance through some of the port-of-entry processes.

The electronic passport book does not require special handling or treatment, but like previous versions should be protected from extreme heat, bending, and from immersion in water. The electronic chip must be read using specially formatted readers, which protects the data on the chip from unauthorized reading.

The cover of the electronic passport book is printed with a special symbol representing the embedded chip. The symbol  will appear in port-of-entry areas where the electronic passport book can be read.

Simple Steps To Protect Your Family From Lead Hazards

If you think your home has high levels of lead:

- ◆ Get your young children tested for lead, even if they seem healthy.
- ◆ Wash children's hands, bottles, pacifiers, and toys often.
- ◆ Make sure children eat healthy, low-fat foods.
- ◆ Get your home checked for lead hazards.
- ◆ Regularly clean floors, window sills, and other surfaces.
- ◆ Wipe soil off shoes before entering house.
- ◆ Talk to your landlord about fixing surfaces with peeling or chipping paint.
- ◆ Take precautions to avoid exposure to lead dust when remodeling or renovating (call 1-800-424-LEAD for guidelines).
- ◆ Don't use a belt-sander, propane torch, dry scraper, or dry sandpaper on painted surfaces that may contain lead.
- ◆ Don't try to remove lead-based paint yourself.

Are You Planning To Buy, Rent, or Renovate a Home Built Before 1978?

Many houses and apartments built before 1978 have paint that contains lead (called lead-based paint). Lead from paint, chips, and dust can pose serious health hazards if not taken care of properly.

By 1996, federal law will require that individuals receive certain information before renting, buying, or renovating pre-1978 housing:

LANDLORDS will have to disclose known information on lead-based paint hazards before leases take effect. Leases will include a federal form about lead-based paint.

SELLERS will have to disclose known information on lead-based paint hazards before selling a house. Sales contracts will include a federal form about lead-based paint in the building. Buyers will have up to 10 days to check for lead hazards.

RENOVATORS will have to give you this pamphlet before starting work.

IF YOU WANT MORE INFORMATION on these requirements, call the National Lead Information Clearinghouse at 1-800-424-LEAD.

This document is in the public domain. It may be reproduced by an individual or organization without permission. Information provided in this booklet is based upon current scientific and technical understanding of the issues presented and is reflective of the jurisdictional boundaries established by the statutes governing the co-authoring agencies. Following the advice given will not necessarily provide complete protection in all situations or against all health hazards that can be caused by lead exposure.

IMPORTANT!

Lead From Paint, Dust, and Soil Can Be Dangerous If Not Managed Properly

- FACT:** Lead exposure can harm young children and babies even before they are born.
- FACT:** Even children that seem healthy can have high levels of lead in their bodies.
- FACT:** People can get lead in their bodies by breathing or swallowing lead dust, or by eating soil or paint chips with lead in them.
- FACT:** People have many options for reducing lead hazards. In most cases, lead-based paint that is in good condition is not a hazard.
- FACT:** Removing lead-based paint improperly can increase the danger to your family.

If you think your home might have lead hazards, read this pamphlet to learn some simple steps to protect your family.

Lead Gets in the Body in Many Ways

1 out of every 11 children in the United States has dangerous levels of lead in the bloodstream.

Even children who appear healthy can have dangerous levels of lead.

People can get lead in their body if they:

- ◆ Put their hands or other objects covered with lead dust in their mouths.
- ◆ Eat paint chips or soil that contain lead.
- ◆ Breathe in lead dust (especially during renovations that disturb painted surfaces).

Lead is even more dangerous to children than adults because:

- ◆ Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.
- ◆ Children's growing bodies absorb more lead.
- ◆ Children's brains and nervous systems are more sensitive to the damaging effects of lead.

Local Sources of Information

Other Sources of Lead

117-200-787

While paint, dust, and soil are the most common lead hazards, other lead sources also exist.

- ◆ **Drinking water.** Your home might have plumbing with lead or lead solder. Call your local health department or water supplier to find out about testing your water. You cannot see, smell, or taste lead, and boiling your water will not get rid of lead. If you think your plumbing might have lead in it:
 - Use only cold water for drinking and cooking.
 - Run water for 15 to 30 seconds before drinking it, especially if you have not used your water for a few hours.
- ◆ **The job.** If you work with lead, you could bring it home on your hands or clothes. Shower and change clothes before coming home. Launder your clothes separately from the rest of your family's.
- ◆ **Old painted toys and furniture.**
- ◆ **Food and liquids stored in lead crystal or lead-glazed pottery or porcelain.**
- ◆ **Lead smelters** or other industries that release lead into the air.
- ◆ **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture.
- ◆ **Folk remedies** that contain lead, such as "greta" and "azarcon" used to treat an upset stomach.

Lead's Effects

If not detected early, children with lead in their bodies can suffer from:

- ◆ Damage to the brain and nervous system
- ◆ Behavior and learning problems (such as hyperactivity)
- ◆ Slowed growth
- ◆ Hearing problems
- ◆ Headaches

Lead is also harmful to adults. Adults can suffer from:

- ◆ Difficulties during pregnancy
- ◆ Other reproductive problems (in both men and women)
- ◆ High blood pressure
- ◆ Digestive problems
- ◆ Nerve disorders
- ◆ Memory and concentration problems
- ◆ Muscle and joint pain

Lead affects the body in many ways.

Checking Your Family for Lead

Get your children tested if you think your home has high levels of lead.

A simple blood test can detect high levels of lead. Blood tests are important for:

- ◆ Children who are 6 months to 1 year old (6 months if you live in an older building or home that might have lead in the paint).
- ◆ Family members that you think might have high levels of lead.

If your child is older than 1 year, talk to your doctor about whether your child needs testing.

Your doctor or health center can do blood tests. They are inexpensive and sometimes free. Your doctor will explain what the test results mean. *Treatment can range from changes in your diet to medication or a hospital stay.*

Where Lead-Based Paint Is Found

In general, the older your home, the more likely it has lead-based paint.

Many homes built before 1978 have lead-based paint. In 1978, the federal government banned lead-based paint from housing.

Lead can be found:

- ◆ In homes in the city, country, or suburbs.
- ◆ In apartments, single-family homes, and both private and public housing.
- ◆ Inside and outside of the house.
- ◆ In soil around a home. (Soil can pick up lead from exterior paint, or other sources such as past use of leaded gas in cars).

Remodeling or Renovating a Home With Lead-Based Paint

Take precautions before you begin remodeling or renovations that disturb painted surfaces (such as scraping off paint or tearing out walls):

- ◆ **Have the area tested for lead-based paint.**
- ◆ **Do not use a dry scraper, belt-sander, propane torch, or heat gun** to remove lead-based paint. These actions create large amounts of lead dust and fumes. Lead dust can remain in your home long after the work is done.
- ◆ **Temporarily move your family** (especially children and pregnant women) out of the apartment or house until the work is done and the area is properly cleaned. If you can't move your family, at least completely seal off the work area.
- ◆ **Follow other safety measures to reduce lead hazards.** You can find out about other safety measures by calling 1-800-424-LEAD. Ask for the brochure "Reducing Lead Hazards When Renovating Your Home." This brochure explains what to do before, during, and after renovations.

If you have already completed renovations or remodeling that could have released lead-based paint or dust, get your young children tested and follow the steps outlined on page 7 of this brochure.

If not conducted properly, certain types of renovations can release lead from paint and dust into the air.

How To Significantly Reduce Lead Hazards

Removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

Always use a professional who is trained to remove lead hazards safely.

In addition to day-to-day cleaning and good nutrition:

- ◆ You can **temporarily** reduce lead hazards by taking actions like repairing damaged painted surfaces and planting grass to cover soil with high lead levels. These actions (called "Interim controls") are not permanent solutions and will not eliminate all risks of exposure.
- ◆ To **permanently** remove lead hazards, you must hire a lead "abatement" contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not enough.

Always hire a person with special training for correcting lead problems—someone who knows how to do this work safely and has the proper equipment to clean up thoroughly. If possible, hire a certified lead abatement contractor. Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Call your state agency (see page 12) for help with locating qualified contractors in your area and to see if financial assistance is available.

Where Lead Is Likely To Be a Hazard

Lead-based paint that is in good condition is usually not a hazard.

Peeling, chipping, chalking, or cracking lead-based paint is a hazard and needs immediate attention.

Lead-based paint may also be a hazard when found on surfaces that children can chew or that get a lot of wear-and-tear. These areas include:

- ◆ Windows and window sills.
- ◆ Doors and door frames.
- ◆ Stairs, railings, and banisters.
- ◆ Porches and fences.

Lead dust can form when lead-based paint is dry scraped, dry sanded, or heated. Dust also forms when painted surfaces bump or rub together. Lead chips and dust can get on surfaces and objects that people touch. Settled lead dust can reenter the air when people vacuum, sweep, or walk through it.

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. Call your state agency (see page 12) to find out about soil testing for lead.

Lead from paint chips, which you can see, and lead dust, which you can't always see, can both be serious hazards

Checking Your Home for Lead

Just knowing that a home has lead-based paint may not tell you if there is a hazard.

You can get your home checked for lead hazards in one of two ways, or both:

- ◆ A **paint inspection** tells you the lead content of every painted surface in your home. It won't tell you whether the paint is a hazard or how you should deal with it.
- ◆ A **risk assessment** tells you if there are any sources of serious lead exposure (such as peeling paint and lead dust). It also tells you what actions to take to address these hazards.

Have qualified professionals do the work. *The federal government is writing standards for inspectors and risk assessors. Some states might already have standards in place. Call your state agency for help with locating qualified professionals in your area (see page 12).*

Trained professionals use a range of methods when checking your home, including:

- ◆ Visual inspection of paint condition and location.
- ◆ Lab tests of paint samples.
- ◆ Surface dust tests.
- ◆ A portable x-ray fluorescence machine.

Home test kits for lead are available, but the federal government is still testing their reliability. These tests should not be the only method used before doing renovations or to assure safety.

What You Can Do Now To Protect Your Family

If you suspect that your house has lead hazards, you can take some immediate steps to reduce your family's risk:

- ◆ If you rent, notify your landlord of peeling or chipping paint.
- ◆ Clean up paint chips immediately.
- ◆ Clean floors, window frames, window sills, and other surfaces weekly. Use a mop or sponge with warm water and a general all-purpose cleaner or a cleaner made specifically for lead. **REMEMBER: NEVER MIX AMMONIA AND BLEACH PRODUCTS TOGETHER SINCE THEY CAN FORM A DANGEROUS GAS.**
- ◆ Thoroughly rinse sponges and mop heads after cleaning dirty or dusty areas.
- ◆ Wash children's hands often, especially before they eat and before nap time and bed time.
- ◆ Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed animals regularly.
- ◆ Keep children from chewing window sills or other painted surfaces.
- ◆ Clean or remove shoes before entering your home to avoid tracking in lead from soil.
- ◆ Make sure children eat nutritious, low-fat meals high in iron and calcium, such as spinach and low-fat dairy products. Children with good diets absorb less lead.

Subject: Water Account

Dear Resident:

We thank you again for choosing to rent with Royse & Brinkmeyer Apartments. This letter is in regards to water service for the apartment home you will be moving into this summer.

When you signed your lease, you filled out an addendum entitled "Application for Water Service" from Illinois American Water Company (IAWC). This addendum has been a helpful tool over our longstanding relationship with IAWC. Unfortunately, IAWC has decided to alter their application process for new water accounts and will not be honoring that agreement, nor any other process that would allow us to initiate water service on your behalf. **It is now necessary for you to contact IAWC and apply for water service directly with them.** You will need to reference your *Lease Agreement* to be sure your order has the correct date and address. Their telephone number is 800-422-2782.

We apologize for the minor inconvenience this will cause. Fortunately, the process is pretty quick and painless. You will simply need to call IAWC at 800-422-2782 as soon as possible. The costs are high for delaying or failing to initiate your water service. It takes very little effort on your part to avoid being without water or paying costly 'chargeback' fees to Royse & Brinkmeyer. We encourage you to avoid those needless and costly inconveniences by calling now.

Thank you for your cooperation. If you have any questions about what is required of you then you are welcome to call us at 217-352-1129.

Sincerely,

Collin D. Cartier
Chief Operating Officer

We hope you'll be happy in your new home; we've worked hard to make things right in preparation for your arrival.

You should expect to look around and find a clean apartment with all appliances working properly. Please take a "mental picture" of the way it looks – this is how we expect it to look when you are done living here!

Your apartment is not "brand new" and you may find something that sticks, squeaks, rumbles, is cosmetically imperfect, and there will be some "evidence" of the fact that others have lived there before you. That's normal. Just as with a used car which is no longer in "showroom condition" but is still completely functional, we encourage you to enjoy the "character" of your new home.

Our Maintenance Department is eager to be sure that all the mechanical systems, appliances, and structural components of your home are doing the job they are meant to do. When something does go wrong, we ask that you call the Maintenance Department at 378-2729 to ask for service. It is important that you provide as much detail as possible in describing the problem – it will help us to fix the problem promptly and to manage our maintenance expense (which will help us to hold the line on rent for you!).

As you might expect, meeting the emergency and routine service needs of 1,000 apartments is a big job – and one that we take pride in doing well. We provide 24-hour emergency service (no heat, flooding, storm damage to your unit, or any other situation that is a life safety issue) for your protection and peace of mind. Routine service requests are normally completed within 48 hours, however we do prioritize our work and you will experience a longer wait for service during the busy "moving months" of July, August, and September.

Again, thank you for choosing Royse and Brinkmeyer for your new home!

**ROYSE & BRINKMEYER
APARTMENTS**

As a resident of an apartment community you need Renter's Insurance to cover your personal belongings. Many residents mistakenly believe that the landlord's insurance will protect their belongings if a **fire or burglary occurs**. This is not true! The landlord's insurance applies to the apartment community, not to your belongings. Your property is valuable and just as every homeowner needs Homeowner's Insurance; every tenant at an apartment community needs Renter's Insurance.

Not only do you need insurance to protect your belongings, but you can be legally responsible for damage to the apartment community, and to the personal belongings of other residents. You can also be responsible for personal injury of a guest.

The possibility of a fire is something we take very seriously, and so should you. Please follow the recommendations and guidelines below. Your safety, and that of your neighbors, is at stake.

YES, a fire can happen, and it can happen to you! There are things you can do to reduce your risk of having a fire. Here are the most common sources of fires:

Kitchen fires – Be sure to turn the burners off when you're done cooking. Keep your stove, oven, and kitchen neat & clean.

Barbeque fires - Think the only "danger" is from a fire flare-up? Guess again. It's easy to melt vinyl siding and ignite wooden siding by having you grill too close to the wall. Your grill should be set on a non-flammable surface. **ALL "CHARCOAL COOKERS" per your lease are prohibited.**

Candle fires – Candles are great for romance or for when the power go out, but you have to be careful! Never leave candles burning unattended!

Debris fires – Happen as a result of "stuff" being kept where it shouldn't be – you've heard this before, but please don't place anything combustible, like newspapers, magazines, or paper grocery bags, close to a heat source – your furnace and hot water heater are the two biggest dangers. If you have a "utility room/closet" in your apartment it is there to provide a place for that equipment. It is NOT a "storage closet" and you should resist the temptation to make it one.

Appliance & Equipment fires – Appliances and other equipment can malfunction or be used incorrectly. Anything electrical, no matter how benign, has the potential to cause a fire. Three years ago, G. E. recalled hundreds of thousands of dishwashers, out of concern for faulty wiring that could cause a fire. Does your apartment have a wood-burning fireplace? If you are unsure how to use the fireplace, it makes more sense to call maintenance for instructions *before* you smoke yourself out rather than after it happens.

Space Heater fires – are a very real threat – not only do people sometimes allow things to get too close to the heat, space heaters can also overload the electrical circuits. Use them with caution and turn them off when you go to bed.

Prevention is important, and so is Protection. Here is what you can do:

Smoke Detectors – You have a smoke detector installed in your apartment and we confirmed that it was working at the time your lease began. You should test your alarm monthly to be sure it will work when you need it to. Contact us immediately if you do not know how to test your alarm or it is not working. The smoke alarm is designed to alert under “smoky” conditions and this means it will also go off as a result of conditions that are “like smoke” such as steam from cooking or hot showers, or heavy cigarette smoke from a party. This is normal and does not mean that the alarm is malfunctioning. When that happens you should open a window or door to “air out” your apartment. Under no circumstances should you compromise your safety, and the safety of others, by disabling the alarm unit.

Fire Doors - Many of our buildings have interior “fire doors” which are designed to limit the spread of any fire and to contain smoke damage to the general area of the fire. They are simple to operate....all you have to do is be sure they are in the closed position. Sure, it's not as convenient when carrying your groceries, but the issue is safety, not convenience.

Fire Extinguishers – are a great idea. If you're truly going to “be prepared” you'll want one. Small, general purpose extinguishers suitable for apartment use are readily available at Home Improvement stores for about \$10. We recommend the investment.

We strongly encourage all our residents to protect themselves and their belongings by purchasing Renters Insurance. It is widely available, provides protection for your possessions as well as other perils, and costs about \$10 - \$12 per month.

Contact an agent of your choice or we recommend the following agencies:

Facer Insurance Agency – (217) 892-2147

Myers Insurance Agency – (217) 356-6268

It may seem obvious, but we'll say it anyway: If you smell smoke, or for any other reason believe there may be a fire threat, CALL 911. The Fire Department will be quick to respond.

Rent is due on the 1st of every month! We offer a free-of-charge, no phone call, no hassle, five day grace period – so – rent is due the 1st, but payable through the 5th of every month. It does not matter what day of the week the 5th is on – rent is due and is considered late after midnight the 5th. If your rent is not paid by the 5th of every month, a late fee will be charged.

- **LATE FEE \$35.** It may surprise you, but we'd rather you not pay us late fees...we'd much rather everyone pay their rent on time. If you find yourself strapped for cash and are having trouble choosing which bills to pay, remember: unless your car is big enough to sleep in, you'd better pay your rent.

It is important for you to understand that we will fix some problems at our expense, while others will be your responsibility to pay. How is this determined? Well, generally, if the repair involves a failure of the heating, air conditioning, or plumbing *systems*, or any appliance provided by us, we'll fix it expediently and at our expense. If, however, the service required is a result of your *use* of the item, or a result of your neglect to take action, then you will bear the cost of the service request. For example:

- **TOILETS** can become clogged, either through use or by flushing inappropriate items down them. In either case, the service call to clear the clog will be charged to you. You can avoid this expense, as well as make life more convenient, by investing in a plunger (about \$5.00 at any hardware store). Buying the plunger *before* you need it is an even better idea.
- **GARBAGE DISPOSALS** are like toilets, they generally work well, but they simply won't handle "whatever you throw at them". You don't need a plunger, but you must be *very careful* when reaching in to clear the clog. Above all, be sure that the power and switch to the disposal is "off". After clearing the clog you may need to push the reset button. If the clog has advanced into the pipes you'll need to call us to fix it.
- **LOCKS** can break, and when they do we'll respond right away at our expense. If you lose your keys, we must change the locks, for security reasons, and you will be charged \$85. If, however, you simply lock yourself out of your home or garage, we'll be happy to help, but it will be at your expense.
- **TRASH** should be taken directly by you to the dumpsters and not left on your balcony, in the hallway, or on the ground. We won't allow our residents to live in a dirty complex, so if we have to pick up after you we will charge you for doing it.
Note: If you are disposing of electronics, you must take them to a recycling facility, as they cannot be placed in the trash receptacles at your complex.

How much do we charge? Our "Labor Rate" is \$30.00 an hour, with a minimum labor charge of ½ hour. The "Overtime Labor Rate" (for service provided during the weekend or after 5:00 P.M. and before 8:00 A.M. daily) is \$60.00 an hour with a minimum labor charge of 1 hour. Labor charges for service are due on the first of the month following the completion of the work (payable with your next rent payment).

We encourage you to call the Maintenance Department whenever you have a problem. They are there to help you, and can answer any questions that you have.

Since “**mold**” is everywhere and is a naturally occurring process of nature you will undoubtedly encounter mold at some point while living in your apartment. If you want to prevent mold, or know how to deal with it effectively, you need to know a little bit about mold. Here are the Highlights:

- There are over 100,000 types of mold; 2,000 of which are “common”
- Mold needs three things to grow – moisture, temperature, and a food source. A “food source” can be any organic matter including small particles like dust and dander as well as larger items like food, paper, and clothing.
- Controlling mold within your home requires that you control the elements that mold needs to grow – that is, moisture, temperature, and food source.

Unless you want to live in a freezer, you will probably want to concentrate on the variables of “moisture” and “food source” in your mold prevention efforts. Here are some things you can and should do:

- **MOISTURE IS YOUR ENEMY!**
 - On a regular basis, **wipe down** and dry areas where moisture sometimes accumulates, like countertops, windows and windowsills.
 - Use the **bathroom fan** or alternative ventilation when bathing or showering and allow the fan to run until all excess moisture is vented from the bathroom.
 - Use the **exhaust fan** in your kitchen when cooking or while the dishwasher is running and allow the fan to run until all excess moisture is vented from the kitchen.
 - When washing clothes in warm or hot water, make sure condensation does not build up within the washer and dryer closet; if condensation does accumulate, dry with a fan or towel.
 - Ensure that your clothes dryer vent is operating properly, and clean the lint screen after every use.
 - Do not allow a damp or moist stack of clothes or other cloth materials to lie in piles for an extended period of time.
 - Thoroughly dry any spills or liquids of any kind on the carpet.
 - In damp or rainy weather conditions, keep windows and doors closed.
- **CLEANING IS MANDATORY!**
 - Clean and dust your apartment on a regular basis as required by your lease. Regular vacuuming, mopping, and the use of environmentally safe household cleaners are important to remove household dirt and debris that contribute to mold growth.
 - Periodically clean and dry the walls and floors around the sink, bathtub, shower, toilets, windows and patio doors using a common household disinfectant cleaner.

- For cleaning mold growth that has reached the “**visible**” stage, you’ll want to use a biocide agent and a detergent. You can make your own “killer mix” by combining a bleach solution (8 ounces of bleach to one gallon of water) with a detergent such as Pine Sol or Spic-n-Span.
- **VENTILATION IS REALLY IMPORTANT TOO!**
 - When possible, open your windows.
 - You may want to use a supplemental fan or ceiling fan for added air movement.
 - Do not overfill closets or storage areas. Ventilation is especially important in these spaces.

Most efforts to control mold effectively (it is not possible to “eliminate” it) are within your ability alone to do. There are times however, when you will need our help. We ask that you call the **Leasing Office** immediately under any of the following situations:

- You observe evidence of a **water leak** or excessive moisture in your apartment, storage room, garage, or any common area.
- You observe a mold growth that can’t be removed by properly cleaning the area or that reappears despite regular cleaning.
- You observe a **failure or malfunction** of the Heating, Ventilating, Air Conditioning or Laundry Systems

We hope this information is helpful in addressing any mold-related concerns or questions you have and that it will assist you in addressing any mold you may encounter.

WE DON'T WANT TO "BUG" YOU,1-1-7- 000 767

.....but there really are some things you ought to know about the subject of "bugs".

To begin with, let's review what we have already agreed to in the lease between us – **Pest Control is the Tenant's Responsibility**. There are two reasons why we have chosen to operate in this manner:

- **It is the only way for us to be sure you receive the level of pest control service you desire.** For some people, seeing a single ant is evidence of "runaway infestation" requiring immediate and drastic action. Others may have a higher tolerance and become annoyed with what they see is our needless intrusion into their lives to treat a problem they don't think they have.
- **Many people object to the use of the chemicals necessary to provide pest control services.** Regardless of whether the reason is concern for pets, infants, allergies or just "the environment", we want you, whenever possible, to have the ability to choose the frequency, timing, and manner of pest control services you require.

Most pest activity falls into two distinct "categories":

- **"Normal" Pest Activity:** Changes in the amount of ground moisture will always reveal increased ant activity and presence. The arrival of colder weather will have rural field mice looking for a warm place (indoors) to nest. Spiders are a normal pest you may see throughout the year.
- **"Controllable" Pest Activity:** Good housekeeping has a *huge* effect on pest activity. Don't leave any food out and wipe up food crumbs. Keep your countertops clear and clean. Wash dishes promptly and dry them thoroughly before putting them away. Rinse out empty soft drink containers. Bag your trash and garbage and take it out to the dumpster regularly.

On rare occasions you may find that you have a pest infestation that is not normal and is not consistent with your lifestyle or living conditions. It is possible that the housekeeping habits of your neighbors could cause a pest problem in your apartment. If you believe that is the case, please contact your property manager for assistance.

If you have any pest related questions we encourage you to contact our preferred pest control vendor, "**Weldon Pest Control**" at 355-1876. They will answer your questions over the phone and make the appropriate recommendations for your situation. If a service call to your home is warranted, they will tell you how to prepare your apartment to maximize the effectiveness of any treatment.

You may obtain multiple lines or additional phone jacks at your expense by calling Champaign Telephone Company (344-4444).

WE ARE NOT THE PHONE COMPANY

(And we won't pretend to be)

Moving to your new home may be exciting, but getting your new phone service is rarely fun. Sometimes, it can even be a real hassle. And, while we'd like to help you settle in to your new home as quickly as possible, there isn't much we can do to help you if you run into problems securing new telephone service. That said, a little knowledge is often extremely helpful, so we're pleased to share a little knowledge with you:

WHY SHOULD THERE BE ANY PROBLEM GETTING MY PHONE SERVICE CONNECTED?

Well, ideally there shouldn't be a problem. But telephone installation service, during the very busy "moving season", often falls short of what many people expect. We suggest you make arrangements as soon as you can and be sure to keep your installation appointment. We also recommend you secure your service from AT & T, for a variety of reasons.

WHAT DO I DO IF I HAVE A PROBLEM GETTING NEW PHONE SERVICE?

Simple. You have to persevere through their organizational bureaucracy until your problem is solved. Call often. Get names; ask for supervisors...you know the routine. But understand: it is up to you to get the problem solved; we cannot "help" you to get through to the phone company or to "make them understand".

ARE THERE ANY CIRCUMSTANCES UNDER WHICH ROYSE & BRINKMEYER WILL HELP ME SOLVE A PHONE INSTALLATION PROBLEM?

In rare cases, yes. Once in a great while, the phone company will tell you that you need to contact your landlord to "solve the problem". Most of the time this isn't true and is a result of the phone companies own confusion. However, if this does happen to you, we want to hear from you. Be prepared to tell us what the problem is (in writing), who you have talked to already to try and solve your problem (that means we need a name of someone at least at the supervisory level), and how that individual can be contacted (we'll need the written address, a direct phone number, and a fax number where the contact individual may be reached). We will not attempt to assist you with any problem unless you can provide us this information.

IS ALL THIS REALLY NECESSARY? IS IT LIKELY I'LL EXPERIENCE PROBLEMS GETTING NEW PHONE SERVICE?

We don't know. We do know that more and more people have reported to us that the installation service provided by the phone company was unsatisfactory in some way. Our purpose in sharing this information with you is to help you anticipate your needs so that you can position yourself to have a good "phone installation experience". In the event the phone company directs you to your landlord for assistance, we wanted you to know what information you will need to provide to us in order for us to be able to assist you.

[Redacted]

LEAD-BASED PAINT PROVISIONS: Tenant has received, read and understands Landlord's lead-based (LBP) disclosure and the Lead-Based Paint Protection Your Family Pamphlet. Tenant agrees to follow the practices recommended in the Pamphlet in order to protect Tenant and other persons and occupants from injuries caused by exposure to lead. Tenant shall immediately notify the Landlord in writing if Tenant, Tenant's guests or any other occupant observes any other conditions indicating the presence of a potential LBP hazard, as described in the Pamphlet.

CONTROLLING LAW: Landlord and Tenant understand their rights and obligations under the Lease are subject to statutes, rules and ordinances, including Chapter 704, Wisconsin Statutes, Wisconsin Administrative Code Chapter Ag 134, and applicable local ordinances. Both parties shall obey all governmental orders, rules and regulations related to the Premises, including local housing codes.

POSSESSION; ABANDONMENT: Landlord shall give Tenant possession of the Premises as provided herein. Tenant shall vacate the Premises and return all of Landlord's property promptly upon the execution of this Lease, including any extension or renewal, or its termination in accordance with the terms of the law.

If Tenant abandons the Premises before expiration of termination of this Lease, its extension or renewal, or if the tenancy is terminated for Tenant's breach of this Lease, Landlord shall make reasonable efforts to re-rent the Premises and apply any rent received, less costs of re-renting, to Tenant's obligations under this Lease. Tenant shall remain liable for any deficiency.

If Tenant is absent from the Premises for two successive weeks without notifying Landlord in writing of this absence, Landlord may deem the Premises abandoned unless rent has been paid for the full period of absence.

If Tenant's personal property is left on the Premises after Tenant vacates or abandons the Premises, Tenant shall be deemed to have abandoned the property and Landlord shall deal with it as provided by the law, section 704.05(5), Wis. Stats.

GUESTS: Tenant shall use the Premises for residential purposes only. Neither party may (1) make or knowingly permit use of the Premises for any unlawful purpose, (2) engage in activities which unduly disturb neighbors or tenants in the building in which the Premises are located, or (3) do, use or keep in or about the Premises anything which would adversely affect coverage under a standard fire and extended insurance policy.

Tenant may have guests residing temporarily in the Premises if their presence does not interfere with the quiet enjoyment of other occupants, and if the number of guests is not excessive for the size and facilities of the Premises. No guest may remain for more than two weeks without written consent of the Landlord which will not be unreasonably withheld. Tenant shall be liable for any property damage, waste or neglect caused by the negligence or improper use of the Premises or the building or development in which they are located by Tenant or Tenant's guests and invitees.

Tenant shall not, without permission in the building rules or specific written approval of Landlord, physically alter or redecorate the Premises, cause any contractor's lien to attach to the Premises, commit waste to the Premises or the property of which it is a part.

Landlord shall keep heating equipment in a safe and operable condition. Whichever party is obligated to provide heat for the Premises shall maintain a reasonable level of heat to prevent damage to the Premises and the building in which they are located. Basic electrical and heating utilities are required to be maintained throughout the duration of the lease term.

Landlord shall give Tenant written notice to the parties' responsibilities regarding the maintenance of smoke detectors as required under the rules of the Department of Industry, Labor, and Human Relations and each party shall fulfill its responsibilities under those rules.

RULES: Landlord may make reasonable rules governing the use and occupancy of the Premises and the building in which they are located. Any failure by Tenant to comply substantially with the rules is a breach of the Lease. Landlord may amend the rules to provide for newly added amenities or to meet changed circumstances or conditions adversely affecting the property. No such amendment may unreasonably interfere with Tenant's use and enjoyment of the Premises or the property of which it is a part. A copy of the rules will have been given to the Tenant at the time of application and at the time of signing of the Lease.

BREACH; TERMINATION: Failure of either party to comply substantially with any material provision hereof is a breach of the Lease. Should Tenant neglect or fail to perform and observe any of the terms of this Lease, Landlord shall give Tenant written notice of such breach requiring Tenant to remedy the breach or vacate the Premises on or before a date at least 5 days after the giving of such notice, and if Tenant fails to comply with such notice, Landlord may declare the tenancy terminated and institute action to expel Tenant from the leased Premises without limiting the liability of Tenant for the rent due or to become due under this Lease. If Tenant has been given such notice and has remedied the breach or been permitted to remain in the Premises, and within one year of such previous breach, Tenant commits a similar breach, this Lease may be terminated if, before the breach has been remedied, Landlord gives notice to Tenant to vacate on or before a date at least 14 days after the giving of the notice as provided in sec. 704.17, Wis. Stats. This provision shall apply to any lease term. If Landlord commits a breach, Tenant has the rights, under chap. 704, Wis. Stats., including secs. 704.07(4) and 704.45, and under Wisconsin Administrative Code chap. Ag 134.

CODE VIOLATIONS; ADVERSE CONDITIONS: If the Premises or the building in which they are located are currently cited for uncorrected building or housing code violations, or contain conditions adversely affecting habitability (including lack of hot or cold running water, lack of operating plumbing or sewage disposal, unsafe or inadequate heating facilities, no electric service, unsafe electrical system, or hazardous conditions or structure) these are listed under Special Provisions, or a separate addendum to this Lease, and Landlord shall exhibit copies of any uncorrected code notices or orders to Tenant, all before this Lease is signed or any deposit accepted.

DAMAGE BY CASUALTY: If the Premises are damaged by fire or other casualty to a degree which renders them untenable, Tenant may terminate the Lease or vacate the Premises and rent shall abate until the Premises are restored to a condition comparable to their prior condition. Landlord shall have the option to repair the Premises, and if repairs are not made, the Lease shall terminate. If the Premises are damaged to a degree which does not render them untenable, Landlord shall repair them as soon as reasonably possible.

REPAIRS: Any promise of Landlord made before execution of the Lease to repair, clean or improve the Premises, including the promised date of completion, is listed under Special Provisions or a separate addendum to this Lease. Time being of the essence as to completion of repairs does not apply to any delay beyond the Landlord's control. Landlord shall give timely notice of any delay to Tenant.

ENTRY BY LANDLORD: Landlord may enter the Premises occupied by Tenant at reasonable times with 24 hours advance notice to inspect the Premises, make repairs, show the Premises to prospective tenants or purchasers, or comply with applicable laws or regulations. Landlord may enter without advance notice upon consent of the Tenant, when a health or safety emergency exists, or if Tenant is absent and Landlord believes entry is necessary to protect the Premises or the building in which they are located from damage. Neither party shall add or change locks without providing the other party keys to permit access to the Premises. Improper denial of access to the Premises is a breach of the Lease.

CONTINUATION OF LEASE: This lease shall not renew.

ASSIGNMENT, SUBLEASE; CHANGES: Tenant shall not assign this Lease or sublet the Premises or any part thereof without the written consent of Landlord, which will not be unreasonably withheld. This Lease may be terminated or modified by written agreement of Landlord and Tenant. The parties may terminate this Lease and enter a new lease instead of renewing it, assigning it or subleasing the Premises.

NONSTANDARD RENTAL PROVISIONS ADDENDUM

1172000767

This addendum is a permanent, legal addition to the lease agreement. Failure to adhere to the terms of this addendum could be considered a breach of contract and grounds for legal action against the tenant.

Rental Payments

Rental payments in the form of check or money order are due and payable on or before the first day of each month. Cash payments are not accepted. A \$50.00 credit for timely payments will be issued for each apartment, not each lessee. A late fee of \$5.00 per day will apply to all rents received after the twentieth day of each month which is in addition to the loss of the rental discount. Checks returned by our bank for any reason will be assessed an additional \$35.00 charge along with the rental discount loss of \$50.00. If a second check is returned, all future payments will be required to be made by money order or certified check.

Multiple Occupancy

All adults of legal age residing in the apartment must be signed parties to the lease agreement. Each roommate is jointly and severally liable for the performance of the Lease Agreement for the apartment. Rent is due and payable under the terms addressed in the Lease Agreement. All roommates are responsible for the full amount due. If a portion of the rent remains unpaid, all roommates will be pursued for payment as provided by law. If one roommate shall vacate the leased premises, the remaining roommate(s) shall continue to be responsible for the full rent due. If another roommate is to move into the premises, the proposed new roommate must be approved by management, undergoing the same approval process used in originally leasing the apartment prior to moving in. It is understood that management shall have the right to refuse to allow a new roommate if the proposed roommate does not qualify under the screening process by credit, income and rental history and the vacating roommate shall not be relieved of liability until the new applicant has been approved or the remaining roommate accepts full responsibility for the lease. Failure of the proposed new roommate to qualify shall not relieve the existing roommate(s) of any responsibilities under the Lease Agreement. Security deposits will be held for the entire term of the Lease Agreement. If one roommate shall move from the apartment while another remains, the roommates should settle the disposition of the security deposit among themselves, as a refund or forfeiture of the security deposit by management will only be made when the apartment is vacated by all parties. Security deposit refunds will be made jointly to roommates on the Lease Agreement at the time the apartment is vacated and mailed to the forwarding address of any one of the roommates. All roommates must agree upon any roommate additions or substitutions and understand their obligation to give proper notice to vacate all parties involved, including roommates. If there are any damages or rent owing when the apartment is vacated, all roommates will be equally liable and management may, at its sole discretion, pursue collection from any one or all roommates.

Subletting

Lessee is authorized to place his/her accommodations up for sublet by contacting the Landlord. Essential items in the sublet agreement stipulate that (1) original lessee remains liable and responsible for rental payments on the due date and (2) lessee remains responsible for all items contained in the lease agreement and addendum. The landlord must approve of the sublessee rental application. A \$50.00 administrative fee will be charged to the original lessee at the time that the new application is accepted. If the Landlord's rental agent secures a sublessee, the fee to the Landlord for the rental agent's time and effort is an additional \$100.00. Sheryl McBride Companies LLC act on behalf of the original tenant and secure a suitable sublettor, apartment viewing appointments are charged at \$15.00 per viewing and any advertisements placed on behalf of the specific apartment are charged at face value. Any person of legal age who resides in the rental unit must be a signed party to the lease. Lessees may not add residents without the prior approval of the landlord.

Tenant Conduct

Tenants are responsible for the conduct of their guests in their apartment or outside of the premises in accordance with these rules and regulations. Stereo, radio, games, and televisions are not to be played so loudly that they are objectionable to other residents or neighbors. Gatherings of residents and their guests are welcome provided such gatherings do not become boisterous, obscene, or objectionable to other residents or neighbors. Parties (social gatherings) of more than ten (10) persons are strictly prohibited without prior written authorization from the landlord. The landlord shall reserve the right to allow or disallow said request at its sole discretion. In addition, quantities of alcoholic or fermented beverages larger (quarter/full/whole barrels, etc.) than 750ml containers are strictly prohibited. NO BARNELS OR KEGS ARE ALLOWED ON THE PROPERTY AT ANY TIME. Should Tenants elect to host large a gathering with or without the landlord's consent and any resulting trash, debris, refuse, decorations, party favors, human waste, etc. not be tidied from any common area after said gathering, Tenant will be assessed a minimum cleaning fee of \$100.00 per occurrence. If professional carpet or other cleaning is needed as the result of said gather(s), the full charge of such service will be assessed to the primary offending unit's residents. Assessment will be charged to primary hosting unit after review of video recordings. Fireworks of any nature are not allowed to be ignited on or in any apartment, porch, deck, or common area of any building at any time. Any fireworks ignited by a Tenant or Tenant's guest will result in immediate eviction proceedings. Should lessee or any of his/her guest(s) become disorderly or create unreasonable noise levels, it shall be the option of the landlord to declare this lease null and void.

Aesthetics

For aesthetic reasons, signs, posters, flags, sheets, articles of clothing, etc. are prohibited from being displayed in the window(s) or exterior door(s) of any apartment unit. Towels, rugs, doormats, clothing, grills, bicycles, toys, books, etc. or any personal belongings should not be left in any hallways, balconies, catwalks, porches, or attached to the exterior of any building, railing or tree. Bicycles are to be stored only in the designated areas and are not permitted to be stored in any apartment or residential room, attached to trees, fences, railings, posts, etc. Bicycles outside of the designated area(s) will be removed. No painting of any surface within the apartment or common areas is allowed under any circumstances. No satellite dishes or antennas of any sort may be mounted to any exterior part of the building.

Surveillance Camera

In an effort to prevent vandalism and damage to the property, monitoring devices may have been installed in the common areas, exterior, and garage areas. The devices are used for the limited purpose of monitoring the conduct of persons who may cause such damage and destruction.

Smoking and Flammables

All McBride Companies LLC buildings are non-smoking. Aside from the proven health concerns, cigarette, cigar, and pipe smoking are highly damaging to all surfaces—particularly painted surfaces, carpet, hardwood, and blinds. For this reason, smoking within the building common areas, apartments, public, decks, or anywhere on the property is absolutely prohibited. Any damage caused by smoking or candles resulting in yellowing, residue, odor or any other smoke-related damage is not considered normal wear and tear and repair or replacement damages will be charged accordingly. Additionally, candles, halogen lights, exposed element space heaters or any other high temperature devices are prohibited. Grills of any variety are strictly prohibited.

PROVISIONS ADDENDUM

Surface Structures

The installation of any permanent or semi-permanent structures or equipment (walls, doors, ceilings, locks, pegboards, sandbags, etc.) is strictly prohibited. The hanging, sewing, placing, or otherwise securing any item to the bathroom area light valence is strictly prohibited and any damage, breakage, or any action causing said light valence to become unaffixed is the sole responsibility of the Tenant. No nail or screw holes greater than 3mm in diameter or adhesives are allowed. A minimum charge of \$3.00 per hole or adhesive area in addition to any fee necessary to restore the surface to its original condition may be assessed to Tenant's deposit upon check out. No painting of any surface within the apartment or common areas is allowed under any circumstances. The apartment will be provided with no nail holes or adhesive areas upon move-in and the responsibility of notifying the landlord of any holes, etc. lies with the Tenant.

Hardwood Flooring

The Tenant is responsible for the proper care of the apartment's hardwood flooring. Scratches, gouges, warping, moisture damage, etc. caused by misuse is not considered normal wear and tear and will be charged to the Tenant's account.

Carpet Cleaning

In the event of excessive wear and tear, pets or smoking residue, carpeted areas are to be professionally (not to include typical grocery store type rental units) cleaned at the lessee's expense upon the termination of the lease agreement. A paid receipt for such service shall be required. Carpet cleaning is provided free of charge to Tenant(s) prior to occupancy. In exchange for this service, Landlord requests that Tenant(s) arrange and pay for professional carpet cleaning at the end of the lease term.

Storage Lockers

Storage lockers may be available on a first come/first served basis for a nominal monthly fee. Landlord makes no guarantee as to availability or security of any common storage area and assumes no liability for items misplaced, stolen, damaged or otherwise harmed. Articles left in the storage lockers after the lease expiration are subject to removal without notice or reimbursement. Landlord reserves the right to enter the storage locker and remove any contents which may pose a threat to the building or persons or are otherwise deemed noxious or offensive.

Package Delivery

As a resident service, Landlord will accept resident packages delivered during normal business hours at Landlord's office address (McFadden Companies LLC, 135 W. Wilson Street, Suite 104, Madison, WI 53703, 608 264 1800) and deliver same to the inside of residents' apartments at no cost with no prior notice required.

Pets

No uncaged pets are allowed in any apartment under any circumstances without the prior written approval of the landlord. There is a penalty of \$200.00 per month per pet for any pet found on site and not under the provision of a pet lease addendum.

Insurance

Each resident is required to carry his/her own insurance, as the landlord's insurance does NOT cover the tenant's belongings in any common area, garage, apartment, or storage area against fire, water, storm, theft, electrical or damage of any other nature.

Smoke Detectors

Smoke detectors are operational at the time of occupancy. The weekly responsibility of checking the operation of each unit's smoke detector lies with the tenant. Should the detector not function properly, the tenant shall notify the landlord in writing of such malfunction within 24 hours.

Outdoor Deck

For those apartments so equipped, the outdoor deck is provided as a courtesy not as part of the leased apartment interior space proper subject solely to landlord's discretion and provided Tenants are able to use the deck in such a manner as to not inflict damage or injury to the surrounding roof areas, Tenants, Tenants' guests, or passerby. Throwing or dropping of any article for any reason beyond the deck area and travel beyond the railed and boarded portion of the deck is strictly prohibited and will result in revocation of roof deck privileges at the minimum with eviction from the apartment potentially. Grills of any sort are strictly prohibited on any deck, balcony, or roof area and only patio style furniture made of metal or plastic in nature is allowed. Trash is to be disposed of properly and any trash found on the roof areas, gutters, or downspouts will result in the removal of such trash at the expense of Tenants and the revocation of roof deck privileges.

Lockout

In the event of a lessee's lockout, the landlord reserves the right to assess an \$80.00 fee for re-entry. NOTICE TO CUSTOMERS APPLYING OUTSIDE A STATE DEPARTMENT FACILITY

If you send us a check, it will be converted into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually occur within 24 hours and will be shown on your regular account statement.

You will not receive your original check back. We will destroy your original check, but we will keep the copy of it. If the EFT cannot be processed for technical reasons, you authorize us to process the copy in place of your original check. If the EFT cannot be completed because of insufficient funds, we may try to make the transfer up to two times and we will charge you a one-time fee of \$25, which we will also collect by EFT.

REMITTANCE OF FEES

Passport service fees are established by law and regulation (see 22 USC 214, 22 CFR 22.1, and 22 CFR 51.50-56) and are collected at the time you apply for the passport service. If the Department fails to receive full payment of the applicable fees because, for example, your check is returned for any reason or you dispute a passport fee charge to your credit card, the Department of State will take action to collect the delinquent fees from you under 22 CFR Part 34 and the Federal Claims Collection Standards (see 31 CFR Parts 900-904). In accordance with the Debt Collection Improvement Act (Pub.L. 104-134), if the fees remain unpaid after 180 days and no repayment arrangements have been made, the Department will refer the debt to the Department of Treasury for collection. Debt collection procedures used by Treasury may include referral of the debt to private collection agencies, reporting of the debt to credit bureaus, garnishment of private wages and administrative offset of the debt by reducing or withholding eligible federal payments (e.g. tax refunds, social security payments, federal retirement, etc.) by the amount of your debt, including any interest penalties or other costs incurred. In addition, non-payment of passport fees may result in the invalidation of your passport. An invalidated passport cannot be used for travel.

OTHER USES OF SOCIAL SECURITY NUMBERS

Your Social Security Number will be provided to Treasury, used in connection with debt collection and checked against lists of persons ineligible or potentially ineligible to receive a U.S. passport, among other authorized uses.

ELECTRONIC PASSPORT STATEMENT

The Department of State now issues a type of passport book containing an embedded electronic chip and called an "Electronic Passport". The electronic passport book continues to be proof of the bearer's United States citizenship/nationality and identity, and looks and functions in the same way as a passport without a chip. The addition of an electronic chip in the back cover enables the passport book to carry a duplicate electronic copy of all information from the data page. The electronic passport book is usable at all ports-of-entry, including those that do not yet have electronic chip readers.

Use of the electronic format provides the traveler the additional security protections inherent in chip technology. Moreover, when used at ports-of-entry equipped with electronic chip readers, the electronic passport book provides for faster clearance through some of the port-of-entry processes.

The electronic passport book does not require special handling or treatment, but like previous versions should be protected from extreme heat, bending, and from immersion in water. The electronic chip must be read using specially formatted readers, which protects the data on the chip from unauthorized reading.

The cover of the electronic passport book is printed with a special symbol representing the embedded chip. The symbol  will appear in port-of-entry areas where the electronic passport book can be read.

IMPORTANT NOTICE . . . Discounts and Rating

The longer you are insured with State Farm® and the fewer claims you have, the lower your premium. For policyholders insured by State Farm for three or more years, the Claim Free Discount Plan provides a premium discount if you have not had any claims considered for the Plan in the most recent three-year period since becoming insured with State Farm. Premium adjustments under the Claim Record Rating Plan are based on the number of years you have been insured with State Farm and on the number of claims that we consider for the Plan. Depending on the Plan(s) that applies in your state/province, claims considered for the Plans generally include claims resulting in a paid loss and may include weather-related claims. Additionally, depending on your state/province's plan and your tenure with State Farm, any claims with your prior insurer resulting in property damage or injury may also influence your premium. For further information about whether a Claim Free Discount is in effect in your state/province, the Claim Record Rating Plan that applies in your state/province, and the claims we consider for the Plans, please contact your State Farm agent.

The numbers throughout the text refer to statutes, regulations or ordinances that are the source of the specific piece of information. These are listed below. This pamphlet is meant to be legal advice. If you have a specific legal question, you should consult an attorney. You may also check with one of the groups or agencies listed.

Rental Laws & Regulations References

Citations are for guidance and may not apply to your situation. Check with an attorney or one of the groups or agencies listed.

- Wis. Stats., Chapter 799 (Small Claims)
- Department of Agriculture, Trade and Consumer Protection Regulations (ATCP), Chapter 134
- Madison General Ordinances (MGO), Chapter 32 (Tenant/Landlord)
- MGO, Chapter 27 (Minimum Housing Code)

General Tips for Avoiding Rental Problems

- Keep a rental file. The file should include the lease, addendums, check-in/out forms, letters to and from your landlord, housing inspection reports, notices to enter, and any documentation you have of repairs or security deposit problems. Request a receipt for rent payments.
- Keep notes with dates and names of any contacts with the landlord regarding problems.
- Get promises from the landlord in writing. Contact your landlord when a problem arises.

Tenant Responsibilities

- Be aware of the terms of the lease and follow those terms.
- Pay rent on time.
- Maintain the apartment; keep it in a clean, proper, and sanitary condition.
- Notify the landlord as soon as possible when a repair is needed.
- Repair or pay for the repair of damages for which you are responsible.

Application Process/Discrimination

- If the landlord denies an application, they must give the tenant written reasons for the denial, unless the tenant has indicated on the application that they do not wish to receive a written explanation. MGO 32.08(5)
- Provide accurate and complete information on your rental application. A landlord may not deny you housing because of your sex, race, religion, color, national origin or ancestry, age, handicap/disability, marital status, source of income, arrest or conviction record within two years of conviction or release (except for offenses related to tenancy, such as violence to others, disturbing neighbors, damage to property, or two or more offenses related to the sale of drugs), less than honorable discharge, physical appearance, sexual orientation, political beliefs, familial status, student status, or because you have declined to disclose your social security number to the landlord. MGO 3.23
- A landlord may also not deny you housing based solely on your income if you can provide evidence of your ability to pay. MGO 32.12(7)
- Your lease cannot be terminated prior to the end of a lease because you have applied for or received Section 8. You cannot be denied the right to apply for housing because you have applied for Section 8. MGO 32.12(13), (14), (15)

Application Fees

If you pay an application fee (deposit, or earnest money) and your application is rejected, the landlord must return the money within three business days. The fee also must be returned to you if you withdraw the application prior to approval. If the application is approved, the money should be returned, applied to rent or the security deposit. If your application is approved but you do not move in, then the landlord may keep part of the fee to pay for actual costs incurred. ATCP 134.05, MGO 32.10

Copies of Rental Agreements & Receipts

- You must be given copies of the rental agreements and any rules and regulations that apply before you are asked to sign the agreement or pay any fees.

MGO 32.06(1), ATCP 134.03(1)

- The landlord is required to provide receipts for the earnest money, security deposits and for any rent payments made in cash. MGO 32.06(3), ATCP 134.03(2)
- Any promise to clean or for repairs must be in writing with a copy of the signed promise given to the tenant. The document shall specify the date by which the work shall be completed. MGO 32.09(1), ATCP 134.07(2)

Rental Agreements

Written rental agreements (often referred to as a lease). Once signed, the lease binds all parties. Unlike some consumer contracts, there is no back-out period. The only way to modify a written lease agreement is if all parties agree to the changes. It is best to get that agreement in writing.

Joint and Several Liability. It is customary for leases to require that each resident is responsible for meeting the terms of the rental agreement even if the other residents do not do so.

Other Types of Rental Agreements

Oral Agreements. These are legal if for one year or less, but you may have trouble enforcing the terms of an oral agreement since it is your word against the landlord. Sec. 704.03(1) Wis. Stats.

Periodic agreements (Commonly referred to as a "month-to-month" lease). If your rental agreement doesn't specify a fixed period, then you are a periodic tenant, with the period being the time between the rent payments. If you pay each month, this is the period of your agreement. Your right to occupy the apartment, as well as the amount of rent, can change after any period, if you are given 28 days notice prior to the next time rent is due. Sec. 704.01(2), Wis. Stats.

Subletting

Most leases require the permission of the landlord prior to subletting. If you sublet part of your apartment, or the entire apartment, you are still responsible for all terms of the original agreement, unless all parties

(including the landlord), agree in writing to other terms. Sublet agreements should always be put in writing. Sec. 704.09(1), Wis. Stats.

Illegal Rental Agreement Clauses

The lease cannot:

- Require you to pay the landlord's attorney fees and costs if the landlord sues you. However, a judge may order you to pay for attorney fees (a maximum of \$300) and also pay court costs after the trial. MGO 32.11(3)/ATCP 134.08(3)
- Allow your landlord to go to court as your representative and admit your guilt in the landlord's dispute with you. MGO 32.11(4), ATCP 134.08(4)
- Require you to pay rent before the date it is regularly due. MGO 32.11(2), ATCP 134.08(2)
- Waive the landlord's duty to deliver the rental unit in a fit or habitable condition and to maintain the premises during the tenancy. MGO 32.11(7), ATCP 134.08(7)
- Require you to pay late fees of more than 5% of a month's rent. MGO 32.12(11)
- Authorize eviction other than by a judicial eviction procedure. MGO 32.11(1), ATCP 134.08(1)
- Relieve the landlord from liability from property damage or personal injury caused by negligent acts or omissions of the landlord. MGO 32.11(5), ATCP 134.08(5)
- Require you to accept liability for personal injury arising from causes clearly beyond the tenant's control or for property damage caused by natural disasters or persons other than the tenant's guests or invitees. MGO 32.11(6), ATCP 132.08(6)
- Contain a provision that, if enforced, would violate the law. MGO 32.11(8)
- Require you to pay the cost of carpet cleaning or shampooing unless there is unusual damage caused by tenant abuse. MGO 32.11(9)

Required Landlord Disclosures

- A lease agreement must disclose the name, address and phone number of the person authorized to manage, collect rent and maintain the premises, and someone in Wisconsin authorized to accept legal papers and notices. MGO 32.08(1), ATCP 134.04(1)
- Buildings of three units or more must have emergency contact information posted in the hallway. MGO 27.04(2)(k)
- Conditions Affecting Habitability. Disclose whether the apartment: lacks hot/cold running water; has heating equipment...

Check-In and Check-Out Forms

The landlord must provide you with a Check-in/Check-out form before you move in. Complete the Check-in form within seven (7) days after moving in noting anything that was dirty, damaged, broken or missing when you moved in. Return the completed form to the landlord. If the landlord fails to provide you with a Check-in form at the start of the tenancy, or fails to provide a Check-out form at the end, they cannot withhold money for the damages or cleaning from your security deposit when you leave. MGO 32.07(5), MGO 32.07(6) You may request a written list of physical damages charged to the previous tenant's security deposit. ATCP 134.06(1)

Tenant's Right to Privacy & Exclusive Possession

Your landlord may not:

- Change the locks on your apartment as a means of forcing you to move. MGO 32.05(1)(a), ATCP 134.09(7)
- Confiscate any of your property to cover late rent payment or damages. MGO 32.05(1)(c), ATCP 134.09(4)
- Enter your apartment without your permission or giving you 24 hours notice, including showing the apartment and for general repairs. Emergencies are an exception to this rule. MGO 32.05(1)(e), ATCP 134.09(2)
- Show the apartment for re-rental until 1/4 of the lease term has passed, unless you have given written consent. MGO 32.12(8)
- Seek to rent the apartment to future renters before 1/4 of the lease has passed, unless they have notified you of an earlier date in your lease. MGO 32.19(9)

A landlord may regulate guests, but may not prohibit all guests. MGO 32.05(1)(g)

A landlord cannot give notice to show your apartment that covers more than three (3) days or more than three (3) hours a day. MGO 32.05(1)(e)

A landlord must knock and identify themselves before entering your apartment. MGO 32.05(1)(f)

Rent Abatement

If your landlord fails to repair or properly maintain your apartment...

entitled to evict you before the Court will grant the landlord's request that you be evicted. After the court action, the Sheriff must execute a Writ of Restitution (eviction) to terminate the tenancy. Sec. 799.44, Wis. Stats.

- Efforts such as turning off the heat, electricity or water, by removing doors or other actions that make it impossible to live in the apartment are prohibited by Madison and Wisconsin law. ATCP 134.09(5), (7), MGO 32.12(5)
- Evicted tenants are responsible to pay rent until someone else moves in or until the end of the lease, whichever comes first. However, the landlord is required to make reasonable efforts to re-rent the apartment. Sec. 704.29, Wis. Stats.

Lease Expiration & Automatic Renewal

- Your lease may have an automatic renewal clause, however, your landlord cannot enforce such a clause unless they give you a separate written notice of the pending automatic renewal or extension. You must be given this notice at least 15 days, but not more than 30 days before its stated effective date. ATCP 134.09(3), Sec. 704.15, Wis. Stats., MGO 32.12(2)
- Staying beyond the expiration date. While your landlord cannot force you to move without a court order, a judge may order you to pay damages to the landlord for any time you stay in the apartment after a notice to vacate or the expiration of your lease. The amount you will be assessed can be at least twice the rent for the period you stayed after notice to vacate. Sec. 704.25(1), Wis. Stats., Sec. 704.27, Wis. Stats.

Security Deposits

- The security deposit cannot exceed one month's rent. MGO 32.07(2)(b)
- If your security deposit exceeds one-half month's rent, you are due simple interest (rent credit) at the rate set by the Department of Financial Institutions (www.cityofmadison.com/BI/WIFDIIntRate2003.pdf) from the day it is paid until it is returned to you. The landlord must disclose the interest rate in your lease. MGO 32.07(3)
- Landlord cannot increase or institute a security deposit during the term of the lease. MGO 32.07(2)(b)
- Your security deposit or partial deposit with a written itemized statement showing the specific reasons for any deductions (including receipts, estimates...

University of Illinois Police Department Lieutenant Tom Geis, Complainant and Affiant, (hereinafter referred to as "Complainant and Affiant") now appears before the undersigned judge of the Circuit Court of Champaign County and requests the issuance of a search warrant to search the premises of 2013 SOUTH ORCHARD STREET APARTMENT D, URBANA, CHAMPAIGN COUNTY, ILLINOIS (AN APARTMENT RESIDENCE WITH THE LETTER "D" AFFIXED TO THE RIGHT OF ITS ENTRY DOOR, LOCATED WITHIN A RED-BRICK, MULTI-LEVEL, MULTI-UNIT APARTMENT BUILDING WITH THE NUMBER "2013" ON A BROWN SIGN AFFIXED TO THE EAST SIDE OF SAID BUILDING) and seize therefrom (and subsequently analyze) the following items, instruments, articles, and/or things which may have been used in the commission of, or which may constitute evidence of, the offenses of UNLAWFUL RESTRAINT and KIDNAPPING:

As part of this Complaint and Affidavit for Search Warrant, Complainant and Affiant hereby requests express permission for the forensic analysis of any cellular telephones/electronic devices/media seized and the decryption of any encrypted data/information stored on or within such telephones/devices/media.

Complainant and Affiant states that he has probable cause to believe, based upon the following facts and information, that the above-listed items may be located upon or within the premises to be searched:

1. Complainant and Affiant Lieutenant Tom Geis states that he is, and for the last seventeen years has been, a police officer for the University of Illinois Police Department, that he is currently assigned to said agency's Detective Bureau, and that he is familiar with kidnapping and unlawful restraint investigations.
2. Complainant and Affiant states that the facts set forth below are based on information Complainant and Affiant has received from other individuals (including other law enforcement officers) who gained personal knowledge of the events and circumstances described in this Complaint and Affidavit while participating in an ongoing joint investigation involving the University of Illinois Police Department (UIPD), the Illinois State Police (ISP), and the Federal Bureau of Investigation (FBI), as well as from Complainant and Affiant's review of documents related to said investigation and his own training and experience. Complainant and Affiant submits this Complaint and Affidavit for the limited purpose of demonstrating that there is probable cause to support the issuance of a warrant to search the above-described premises and to seize and analyze the above-listed items. This Complaint and Affidavit does not purport to set forth all of Complainant and Affiant's (or other individuals') knowledge of this investigation. Unless specifically indicated otherwise, all conversations and statements described in this Complaint and Affidavit are set forth only in summary and in part.
3. Complainant and Affiant states that on June 9, 2017, Yingying Zhang (hereinafter referred to as "Zhang"), a Chinese national and University of Illinois visiting scholar with a date of birth of December 21, 1990, informed her colleagues at approximately 12:30 P.M. that she intended to meet a manager at the One North apartment complex in Urbana to sign a lease. At approximately 1:29 P.M., Zhang sent a text message to said manager advising that Zhang would arrive at the apartment complex at approximately 2:10 P.M. University of Illinois and Champaign-Urbana Mass Transit District (CUMTD) surveillance systems indicate that at approximately 1:35 P.M., Zhang boarded a bus at the CUMTD's Orchard Downs South shelter (located near the intersection of South Orchard and West George Huff Drives, Urbana). At approximately 1:52 P.M., Zhang exited said bus in the area of Springfield Avenue and Matthews Street, Urbana.
4. Complainant and Affiant states that at approximately 1:56 P.M., Zhang was observed unsuccessfully attempting to flag down the 220N Illini Limited bus near the intersection of Springfield Avenue and Matthews Street. Zhang was subsequently observed on foot at the CUMTD bus stop located at the southeast corner of Goodwin Avenue and Clark Street. At approximately 1:58 P.M., a black 2008 Saturn Astra (hereinafter referred to as "the Astra") was observed traveling eastbound on Stoughton Street near Wright Street, turning northbound on to Wright Street. At approximately 2:00 P.M., the Astra was observed traveling eastbound on University Avenue, turning southbound on Goodwin Street, then traveling eastbound on Clark Street, passing by Zhang. At approximately 2:03 P.M., the Astra was observed traveling westbound on Main Street, approaching Goodwin Avenue, then

turning northbound on Goodwin Avenue and stopping next to Zhang. Zhang was observed speaking with the driver of the Astra for approximately one minute before entering the Astra. The Astra – with Zhang inside – then traveled north on Goodwin Avenue and crossed University Avenue. Zhang was last observed wearing a dark-colored baseball cap, a long-sleeved pink and white shirt with an undershirt, jeans, white shoes, and eyeglasses. She also had a navy blue backpack.

5. Complainant and Affiant states that at approximately 2:38 P.M. the manager whom Zhang intended to meet at the One North apartment complex sent a text message to Zhang, but received no response.
6. Complainant and Affiant states that at approximately 9:24 P.M., University of Illinois [REDACTED] [REDACTED] contacted the University of Illinois Police Department to report that Zhang was missing. The responding officer met with [REDACTED] and Zhang's colleagues, who advised they had not been able to contact her for several hours. Zhang had previously informed [REDACTED] and her colleagues that she would be signing a lease at an area apartment complex and would return shortly thereafter. When Zhang did not return, they placed multiple calls to her cell phone, all of which went unanswered. [REDACTED] met UIPD officers at Zhang's apartment (2013 South Orchard Drive, Apartment D, Urbana); officers searched for her in her apartment, but it was vacant.
7. Complainant and Affiant states that [REDACTED] provided UIPD with the phone number [REDACTED] for Zhang, as well as her e-mail addresses: [REDACTED] and [REDACTED].
8. Complainant and Affiant states that UIPD contacted AT&T, described this incident, and requested assistance under exigent circumstances. AT&T provided cellular records for Zhang's telephone, which indicated that, after the text message Zhang sent to the manager of the One North apartment complex, all incoming telephone calls were routed to voicemail.
9. Complainant and Affiant states that UIPD had repeated contact with [REDACTED] and Zhang's colleagues throughout the weekend following her disappearance. On June 12, 2017, [REDACTED] advised UIPD that Zhang had left her laptop in their workspace inside Turner Hall. [REDACTED] then turned Zhang's laptop over to UIPD.
10. Complainant and Affiant states that on June 12, 2017, an [REDACTED] search was conducted for all Saturn Astra vehicles located within the state of Illinois. Approximately eighteen four-door Astras were identified as registered to addresses in the Champaign County area. Physical surveillance was attempted at said locations. Nine of said vehicles were identified as being colors other than black. Eight of said vehicles could not be located and verified, but additional record checks indicated that six of said vehicles are registered out-of-state.
11. Complainant and Affiant states that on June 12, 2017 contact was made with the registered owners of a black Saturn Astra with a sunroof located in the apartment complex parking lot associated with 2503 West Springfield Avenue, Apartment #b2, Champaign, the registered owners of said vehicle – Brendt A. Christensen (hereinafter referred to as "Brendt") and [REDACTED] hereinafter referred to as "[REDACTED]") – reside in said apartment.

12. Complainant and Affiant states that on June 12, 2017, an interview was conducted with Brendt Christensen, who advised officers he was playing video games and/or sleeping all day on June 9, 2017. When questioned, Brendt stated that he received a text message from a girl named [REDACTED] at approximately 1:00 P.M. on June 9, 2017, which he replied to at approximately 4:00 P.M. that same day. Brendt stated that his phone number was [REDACTED] and his e-mail address was [REDACTED]. [REDACTED] stated that she was on a trip to Madison, Wisconsin on June 9, 2017 and stated that her phone number was [REDACTED] and her e-mail address was [REDACTED].
13. Complainant and Affiant states that on June 13, 2017, agents confirmed that Saturn Astras were only manufactured for United States sales in 2008 and 2009.
14. Complainant and Affiant states that on June 14, 2017, officers again observed the Christensens' Astra in the parking lot of their apartment complex and noted a damaged spot on the passenger side front hubcap of said vehicle that matched a damaged spot on the Astra that surveillance video showed Zhang entering on June 9, 2017. Officers also interviewed the Christensens again.

Brendt initially stated that he was at home alone all day playing video games and did not leave his apartment. He eventually admitted that on June 9, 2017 he picked up an Asian female in the Christensens' black Astra on the corner of Clark Street and Goodwin Avenue in Urbana. He told officers that he stopped and asked the Asian female if she needed a ride. She told him she was late for an appointment and, after some discussion, agreed to let him give her a ride. He further stated that he drove her north on Goodwin Avenue for a couple of blocks then turned into a residential area, whereupon she "freaked out" – so he stopped the car, she exited it, and he drove away without observing her direction of travel.

[REDACTED] told officers that she and Brendt have an "open" marriage. She described Brendt as selfish, a good liar, and having an addictive personality. She further stated that in December of 2016, Brendt drank an entire bottle of rum, then told her that he had "daydreams" about killing small animals and even people and that he was bored with life and wondered what it would be like to kill someone. He also told her that his favorite book was "American Psycho" because the main character did not care about anyone or anything. The next day, [REDACTED] confronted Brendt about his comments the night before; he stated he did not remember said comments, but admitted having "passing thoughts" about murdering someone. She reiterated that on June 9, 2017 she was in Wisconsin with her boyfriend and did not return until June 11, 2017. When she returned, she asked Brendt what he did over the weekend; he told her he ran a couple of errands, but for the most part stayed home. He also told her that he cleaned their Astra on Saturday (June 10). [REDACTED] also stated that on June 12, 2017 around noon or 1:00 P.M. she saw Brendt remove a large green duffel bag from the closet in the kitchen. She observed that the bag was not empty, but was also not completely full. Brendt told her that he had bought a cat tree for [REDACTED] and was going to deliver it to her. He then left their apartment. Brendt later told [REDACTED] that he spent the afternoon of June 12, 2017 with [REDACTED]. On June 15, 2017, [REDACTED] asked [REDACTED] about the duffel bag and cat tree and [REDACTED] told her that she never received the cat tree or saw the duffel bag. [REDACTED] also told [REDACTED] that Brendt did not meet [REDACTED] until 4:30 P.M. on the afternoon of June 12 and that he told her he had been helping [REDACTED] with a computer issue earlier that afternoon. [REDACTED] stated that Brendt did not help her with a computer issue that afternoon. [REDACTED] also checked the Amazon.com account she shares with [REDACTED].

Brendt and their financial accounts and could not locate a purchase of a cat tree. On June 13, 2017, [REDACTED] said that she and Brendt went to the Refinery Gym to work out. Afterwards, Brendt told her he was going to wash their Astra again. She thought it was odd that he washed the Astra twice in three days, given that he had previously only done so a couple of times since they purchased it in 2012. [REDACTED] also stated that on June 14, 2017, she noticed the gas tank on the Saturn Astra was only half full, which she thought was inconsistent with Brendt's statement that he stayed home all weekend and only ran a few errands. She felt that, given the amount of gas consumed from the last time she filled the car up on June 8, 2017, Brendt would have had to do a lot more driving over the weekend than he stated.

15. Complainant and Affiant states that on June 15, 2017, FBI agents and UIPD officers searched the Christensens' Astra pursuant to the authority of a federal search warrant. Evidentiary processing of said vehicle is still ongoing.
16. Complainant and Affiant states that on June 15, 2017, ISP and UIPD officers conducted a search of the Christensens' residence at 2503 West Springfield Avenue Apartment B2, Champaign, Illinois pursuant to the authority of a state search warrant. Evidentiary processing of items found within said premises is still ongoing.
17. Complainant and Affiant states that as of June 20, 2017, Ying Ying Zhang has not been located. UIPD, ISP, and FBI officers/agents are seeking to examine items that may be found in Zhang's apartment and to compare them to items found during the searches of the Christensens' Astra and apartment in hopes of finding evidence of the above-named offenses or of Zhang's current/recent whereabouts.
18. Complainant and Affiant states that on June 19, 2017, UIPD Officer A. J. Martin went to Ying Ying Zhang's apartment and verified that said premises are accurately described as 2013 SOUTH ORCHARD STREET APARTMENT D, URBANA, CHAMPAIGN COUNTY, ILLINOIS (AN APARTMENT RESIDENCE WITH THE LETTER "D" AFFIXED TO THE RIGHT OF ITS ENTRY DOOR, LOCATED WITHIN A RED-BRICK, MULTI-LEVEL, MULTI-UNIT APARTMENT BUILDING WITH THE NUMBER "2013" ON A BROWN SIGN AFFIXED TO THE EAST SIDE OF SAID BUILDING).

Complainant and Affiant Lieutenant Tom Geis of the University of Illinois Police Department, sworn and under oath, deposes and states that he has read the foregoing Complaint and Affidavit and that the facts and information set forth therein as stated by him are true to the best of his knowledge and belief.

NARRATIVE

REPORTING OFFICER: Sgt. Ballinger #281

ASSIGNMENT: I was contacted by Deputy Chief Myrick on 06-15-17 in reference to the ongoing Missing Persons Case I17-767. D.C. Myrick requested that I assist with surveillance on a person of interest in the ongoing investigation. On 06-16-17, at approximately 1130 hours, I reported to Post I and spoke with an Illinois Statewide Intelligence Officer and learned the following:

* Brendt Christensen was the individual to be surveilled

* He lives at 2503 W. Springfield, B2, Champaign, with [REDACTED]

* Christensen's Saturn vehicle had been seized as evidence; however, he was currently driving a black, Chevy Camaro, [REDACTED]

(I1700767 - #A1707008)

I printed out pictures of Brendt and [REDACTED] along with the vehicle information and met with two State Police Investigators, later identified as Scott Britnell and Ryan Buehnerkemper and provided them with the same information.

I was contacted by FBI agent William Klarer and advised to report any updates via telephone communications, in which I did. Once a command post was established, Ryan provided updates to the command post.

Times and observations are approximate. The apartment is located in Building B, which is located south of the apartment complex pool and was oriented Northeast to Southwest. The front door is located on the North side along with a door on the south side. The apartment is located in the Northwest corner on the first floor.

SURVEILLANCE:

06-16-17

12-2130 HOURS

Ryan Buehnerkemper, Scott Britnell, and myself

1200- Briefed on scene and relieved prior surveillance team, advised that the [REDACTED] had left around 1100 hours in the Camaro and not returned. Brendt was still located at his apartment.

1709- [REDACTED] returned in the Camaro and wore dark colored jeans with a plaid long sleeve hoody type shirt and appeared to use a set of keys to open the entrance door to Building B.

1755- An older white male arrived in a silver Chevy Traverse, [REDACTED] [REDACTED] and parked near the dumpster area East of apartment Building B. The vehicle was registered to a [REDACTED] and was a 2012 Chevy Traverse. [REDACTED] exited the building, hugged the male, and then followed the Traverse in her Camaro. I was advised [REDACTED] was possibly [REDACTED] and this male appeared to be [REDACTED] and registered owner of the Traverse.

1915- [REDACTED] returned, parked the Camaro, and then left with [REDACTED] in the Traverse.

1950- [REDACTED] returned in the Traverse and carried small plastic bags into the apartment building.

2000- [REDACTED] and Brendt left in the Traverse and was followed to the Longhorn Steakhouse. Our detail maintained surveillance inside, while additional units began to set up outside.

2115- [REDACTED] and Brendt left the restaurant and the exterior surveillance team continued surveillance and we were replaced.

06-17-17

1200-2030 HOURS

Ryan Buehnerkemper, Scott Britnell, Investigator Kerner, and myself

1200- Surveillance teams were watching Brendt at his [REDACTED] address, later advised as [REDACTED]. I remained near the apartment complex, while other surveillance teams arrived at the White street address.

1230- [REDACTED] arrived at her apartment in the Traverse wearing the same clothing from the day before. [REDACTED] wore a lime polo shirt and khaki style shorts.

1250- Brendt left his [REDACTED] residence on [REDACTED] in the Camaro.

1345- Brendt drove to the FBI office, which we were later advised Brendt had an interview. Surveillance was advised to loosely follow the FBI agents that were driving Brendt around areas near UI campus. Surveillance was provided.

1530- Brendt arrived at his residence, the Traverse was gone.

1700- Brendt left in the Camaro and went to the Refinery (2302 W. John, Champaign), presumably to workout.

1810- Brendt left and drove directly back to his apartment.

2030- Surveillance replaced.

06-18-17

1200-2015 HOURS

Ryan Buehnerkemper, Detective Herrig, Mike Atkinson, ISP agent, and myself

1200- Surveillance briefed Brendt and [REDACTED] were at the Refinery.

1220- I located the Camaro parked in the parking lot north of the Refinery.

1230- [REDACTED] and Brendt exited the Refinery and drove to Ruler Foods (2002 W. Springfield, Champaign). [REDACTED] was the driver.

1238- They returned to their residence with small plastic bags.

1440- [REDACTED] left in the Camaro.

1552- [REDACTED] returned in Camaro.

1600- ISP Atkinson replaced Detective Herrig.

2015- Surveillance replaced.

06-20-17- I processed my field notes as evidence and they were assigned E#45292 and placed into the evidence dropbox at Post 1.

NARRATIVE

On 6/10/2017, at approximately 1200 hours, I Ofc. Hurless (101) received a phone call from Ofc. Stiverson (107) requesting me to come into Post I and assist in follow up on the missing scholar, YingYing ZHANG.

Upon arrival at approximately 1230 hours, I printed out Officer Wood's (121) initial report, Officer Hoskin's (108) follow up report, and the picture of ZHANG that was being disseminated on social media in attempts to locate her (see attached).

At approximately 1300 hours, I met Ofc. Stiverson at Willard International Airport (CMI), 11 Airport Rd., Savoy Il., 61874 to get briefed on the details of ZHANG's disappearance. Ofc. Stiverson followed up with the rental car businesses at CMI and assigned me follow up at Champaign-Urbana Mass Transit District Company (MTD), 1101 University Ave, Urbana Il., 61801. [REDACTED] provided Ofc. Stiverson possible bus routes that ZHANG could have taken.

I arrived at MTD around 1400 hours and met with Brain RULON supervisor. I gave the bus routes to RULON for him to give to video analyst Lisa OLSON (see attached). I asked RULON how they identify the bus routes. RULON said they are labeled with colors. There would be approximately two silver routes, four orange routes, two teal routes, three red routes, one purple route and the 22 Limited route to pull bus video from. RULON stated ZHANG would need to take the teal route from Orchard Downs and switch buses to the 22 Limited to arrive at One North.

At approximately 1430 hours, Ofc. Stiverson and I walked/searched the area of ZHANGS last known phone ping (201 W. Chestnut). There was nothing of evidentiary value near the railroad tracks or in the shrubs surrounding the railroad tracks.

At approximately 1500 hours, Ofc. Stiverson and I went to Champaign Urbana Mass Transit District Company for video review. I spoke with security officer Roman GORDON. GORDON and I reviewed all internal cameras and did not see anyone matching ZHANGS description. [REDACTED]

[REDACTED] approached me and stated she was in the area to search for ZHANG near the last ping location. I asked [REDACTED] what ZHANG was wearing the last time she saw her. [REDACTED] emailed me a picture of ZHANGS shirt and backpack (see attached).

HURLESS, TARA

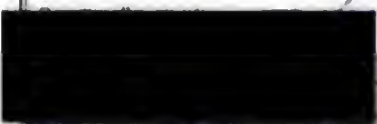

officer's initials THapproved [Signature]

(H1700757 - #A1706939)

At approximately 1600 hours OLSON called and informed me she may have found ZHANG getting on the bus at the Orchard Downs south shelter at 1:35:34 and getting off the bus at Springfield Ave and Matthews bus stop at 1:52:51. Ofc. Stiverson and I made a positive identification that the female on the bus was ZHANG (see attached).

At Springfield Ave. and Matthews ZHANG needed to cross over to the north side of Springfield to board the 22 Limited bus for One North. ZHANG is seen on the 22 Limited internal bus video standing on the south side of Springfield. It appears ZHANG waves her arm at the bus as it drives by.

I made a copy and reviewed the MTD bus video, evidence tag #45137 and placed it into the evidence drop box.

9112 TOW REPORT UOIPD	ZHANG, YINGYING	(ST) STRANGER	CHRISTENSEN, BRENDT A

NARRATIVE

On 06-15-2017 at 0005 hrs. I, Sergeant Gene Moore assisted in the execution of a search warrant on Brendt A. Christensen's black 2008 Saturn Astra. Reynolds Towing was utilized to tow the vehicle from the parking lot outside 2503 W. Springfield Ave, Champaign, IL.

FBI Task Force Officer (TFO) Scott Standerfer and I followed the tow truck to the Champaign Police Dept. and the vehicle was put into a secured garage/bay at 0030 hrs. Due to heavy rain, we dried sections of each door, sunroof, hatchback, hood, and gas cap door in order to secure the evidence tape. I completed a tow report, see attached.

There is nothing further.

NARRATIVE

On 06-14-2017 at 1435 hrs. I called [REDACTED] and requested he speak with Yingying's family to obtain dental records. He said they had already spoke to them about the records and were told there was none. [REDACTED] told me it was not common for people living in China to have X-Rays on their teeth and when done they are not necessarily kept.

I asked [REDACTED] to send me the name of the bank associated with Chinese Credit Card Yingying had in her possession, including the name on the card and the number. I also asked him to obtain the transaction information from the last time she used the card in either the United States or China.

He sent me 3 screen shots from Milestone Security video he had been sent previously. He had enhanced the images in an attempt to locate a readable license plate. - ♦ The NamUs databases are searchable by anyone, however, sensitive case data is restricted and can be viewed only by medical examiners, coroners, law enforcement officers, personnel from missing person clearinghouses and allied forensic specialists.
- ♦ NamUs was developed with the help of experts from all areas of missing and unidentified person case management and investigation, including victim advocates and family members of missing persons.
- ♦ Nationwide, 4,400 unidentified remains are found every year and over 1,000 of these remain unidentified after one year. Holistically, there may be upwards of 40,000 human remains nationally that continue to go unidentified.
- ♦ Nationwide, there are as many as 90,000 active missing person cases at any given time.
- ♦ As of February 29, 2016, 22,346 total missing person cases have been reported to NamUs. 10,330 cases have been resolved (1,232 with direct assistance from NamUs) and 12,016 cases remain active in the NamUs Missing Person database.

- ♦ Regional System Administrators monitor and validate new case information to protect sensitive information, prevent fraud and improve case management.
- ♦ NamUs automatically cross-searches the missing persons database against the unidentified person database and provides side-by-side comparisons of possible matches.
- ♦ NamUs, through a cooperative agreement with NIJ, was developed by the National Forensic Science Technology Center (NFSTC) and the University of Central Florida's National Center for Forensic Science.
- ♦ NamUs is now managed and administered by the UNT Health Science Center under the direction of NIJ through a cooperative agreement (award number 2011-MU-BX-K063 (4)).

A Powerful Tool for Law Enforcement Officers,
Medical Examiners and Coroners

**Free. Secure.
Nationwide.**
www.namus.gov

The **National Missing and Unidentified Persons System** offers criminal justice agencies a powerful tool for resolving missing and unidentified persons cases.

Unidentified Persons

- Records are entered and closed **only** by medical examiners, coroners or their authorized registered users.
- Searches can be performed using a wide variety of **identifiers**, including physical features, dental records, DNA, scars, tattoos, jewelry, clothing and prosthetics.
- The **NamUs** unidentified persons database is searchable by anyone, however, **sensitive case data** is restricted and can be viewed only by medical examiners, coroners, law enforcement officers, personnel from missing person clearinghouses and allied forensic specialists.
- Unidentified records are **automatically searched** against missing person records and potential matches are presented to investigators for further review.

Missing Persons

- **NamUs** improves the **quality and quantity** of missing persons data and simplifies reporting and management of missing persons cases.
- Records are entered by law enforcement and the general public. They are validated prior to publication and non-sensitive data is **accessible** to anyone searching the system.
- Available **resources** include links to state missing persons clearinghouses, state and federal law enforcement offices, Attorneys General offices, FBI offices and Information about legislation related to missing persons in a particular state.
- The system incorporates **geo-mapping** technology to make it easy to locate law enforcement and medical examiner/coroner agencies in an area or along a particular travel route.

Training

NamUs offers a variety of resources and the system is simple to learn.

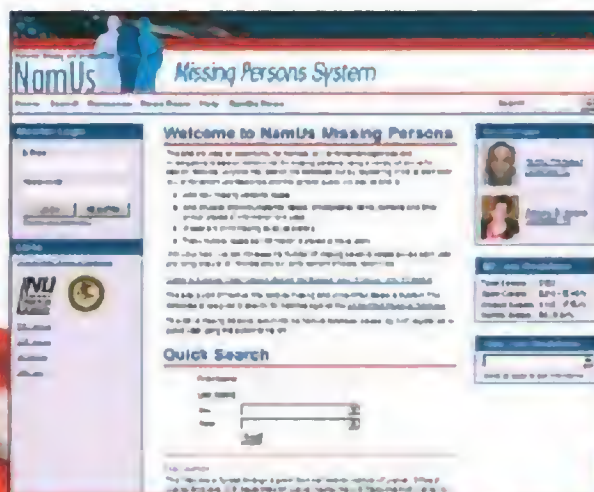

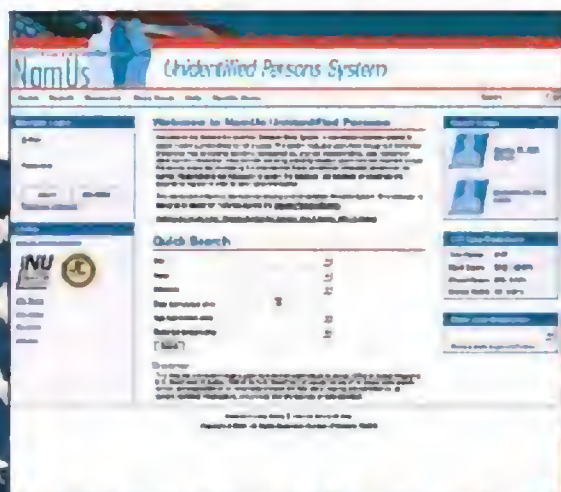

Training can be accomplished in several ways:

- **NamUs** Regional System Administrators are available to provide individualized assistance with learning the system or entering cases.
- Online user guides are available at www.findthemissing.org/documents/NamUsUserGuide.pdf (Missing Person Database) and www.identifyus.org/help/NamUsUPUserGuide.pdf (Unidentified Person Database).
- Look for **NamUs** workshops or information at professional conferences.
- **NamUs** can provide free training by request to any agency or region.

The **NamUs** team is dedicated to assisting criminal justice agencies and improving the ability to search, match and solve these cases.

DNA Resources

As part of the **NamUs** system, the Center for Human Identification at the UNT Health Science Center (www.hsc.unt.edu) coordinates with criminal justice agencies, the Armed Forces DNA Identification Laboratory and the National Center for Missing & Exploited Children to identify, collect and perform DNA analyses on unidentified remains and family reference samples.

On June 16th, 2017 at approximately 4:00 pm I and Champaign County ASA Dan Clifton met with Champaign County Circuit Judge Roger Webber in his office. We presented a search warrant for the University of Illinois Technical Services records of Brendt Christensen. After review Judge Webber signed the warrant and granted a search of these records. See attached search warrant.

On this same date I forwarded a copy of the search warrant to University of Illinois Attorney Steve Anderson and U of I Technical Services Chief Privacy and Security Officer Joe Barnes. Later on this same date Barnes provided records responsive to the search warrant via a U of I Box account. I shared access to this Box account with Illinois State Police Intelligence Analyst for analysis.

I later downloaded a copy of the items in Box to a CD and packaged and labeled the CD and evidence and placed into the UIPD evidence drop box under tag # 44915.

COMPLAINT AND AFFIDAVIT FOR SEARCH WARRANT

University of Illinois Police Department Lieutenant Tom Geis, Complainant and Affiant, (hereinafter referred to as "Complainant and Affiant") now appears before the undersigned judge of the Circuit Court of Champaign County and requests the issuance of a search warrant to search the University of Illinois at Urbana-Champaign Technology Services computer account information listed under Brendt Christensen, Network Identification number (NetID) [REDACTED] held at/accessible by University of Illinois at Urbana-Champaign Technology Services, 1304 West Springfield Avenue, Urbana, Illinois and seize therefrom the following information/data, which may constitute evidence of the offenses of Unlawful Restraint and Kidnapping:

Complainant and Affiant Lieutenant Tom Geis (hereinafter referred to as "Complainant and Affiant") states that he has probable cause to believe, based upon the following facts, that the above information/data to be seized is held at/accessible by University of Illinois at Urbana-Champaign Technology Services:

1. Complainant and Affiant that he is, and for the last seventeen years has been, a police officer for the University of Illinois Police Department, that he is currently assigned to said agency's Detective Bureau, and that he is familiar with kidnapping and unlawful restraint investigations.
2. Complainant and Affiant states that the facts set forth below are based on information Complainant and Affiant has received from other individuals (including other law enforcement officers) who gained personal knowledge of the events and circumstances described in this Complaint and Affidavit while participating in an ongoing joint investigation involving the University of Illinois Police Department, the Illinois State Police, and the Federal Bureau of Investigation, as well as from Complainant and Affiant's review of documents related to said investigation and his own training and experience. Complainant and Affiant submits this Complaint and Affidavit for the limited purpose of demonstrating that there is probable cause to support the issuance of a warrant to search for the above information/data held at/accessible by University of Illinois at Urbana-Champaign Technology Services. This Complaint and Affidavit does not purport to set forth all of Complainant and Affiant's (or other individuals') knowledge of this investigation. Unless specifically indicated otherwise, all conversations and statements described in this Complaint and Affidavit are set forth only in summary and in part.
3. Complainant and Affiant states that on June 9, 2017, Yingying Zhang (hereinafter referred to as "Zhang"), a Chinese national and University of Illinois visiting scholar with a date of birth of December 21, 1990, informed her colleagues at approximately 12:30 P.M. that she intended to meet a manager at the One North apartment complex in Urbana to sign a lease. At approximately 1:29 P.M., Zhang sent a text message to said manager advising that Zhang would arrive at the apartment complex at approximately 2:10 P.M. University of Illinois and Champaign-Urbana Mass Transit District (CUMTD) surveillance systems indicate that at approximately 1:35 P.M., Zhang boarded a bus at the CUMTD's Orchard Downs South shelter (located near

the intersection of South Orchard and West George Huff Drives, Urbana). At approximately 1:52 P.M., Zhang exited said bus in the area of Springfield Avenue and Matthews Street, Urbana.

4. Complainant and Affiant states that at approximately 1:56 P.M., Zhang was observed unsuccessfully attempting to flag down the 220N Illini Limited bus near the intersection of Springfield Avenue and Matthews Street. Zhang was subsequently observed on foot at the CUMTD bus stop located at the southeast corner of Goodwin Avenue and Clark Street. At approximately 1:58 P.M., a black 2008 Saturn Astra (hereinafter referred to as "the Astra") was observed traveling eastbound on Stoughton Street near Wright Street, turning northbound on to Wright Street. At approximately 2:00 P.M., the Astra was observed traveling eastbound on University Avenue, turning southbound on Goodwin Street, then traveling eastbound on Clark Street, passing by Zhang. At approximately 2:03 P.M., the Astra was observed traveling westbound on Main Street, approaching Goodwin Avenue, then turning northbound on Goodwin Avenue and stopping next to Zhang. Zhang was observed speaking with the driver of the Astra for approximately one minute before entering the Astra. The Astra – with Zhang inside – then traveled north on Goodwin Avenue and crossed University Avenue. Zhang was last observed wearing a dark-colored baseball cap, a long-sleeved pink and white shirt with an undershirt, jeans, white shoes, and eyeglasses. She also had a navy blue backpack.
5. Complainant and Affiant states that at approximately 2:38 P.M. the manager whom Zhang intended to meet at the One North apartment complex sent a text message to Zhang, but received no response.
6. Complainant and Affiant states that at approximately 9:24 P.M., University of Illinois [REDACTED] [REDACTED] contacted the University of Illinois Police Department to report that Zhang was missing. The responding officer met with [REDACTED] and Zhang's colleagues, who advised they had not been able to contact her for several hours. Zhang had previously informed [REDACTED] and her colleagues that she would be signing a lease at an area apartment complex and would return shortly thereafter. When Zhang did not return, they placed

multiple calls to her cell phone, all of which went unanswered [REDACTED] met UIPD officers at Zhang's apartment (2013 South Orchard Drive, Apartment D, Urbana); officers searched her apartment, but it was vacant.

7. Complainant and Affiant states that [REDACTED] provided UIPD with the phone number [REDACTED] for Zhang, as well as her e-mail addresses. [REDACTED]
8. Complainant and Affiant states that UIPD contacted AT&T, described this incident, and requested assistance under exigent circumstances. AT&T provided cellular records for Zhang's telephone, which indicated that, after the text message Zhang sent to the manager of the One North apartment complex, all incoming telephone calls were routed to voicemail.
9. Complainant and Affiant states that UIPD had repeated contact with [REDACTED] and Zhang's colleagues throughout the weekend following her disappearance. On June 12, 2017, [REDACTED] advised UIPD that Zhang had left her laptop in their workspace inside Turner Hall. [REDACTED] then turned Zhang's laptop over to UIPD.
10. Complainant and Affiant states that on June 12, 2017, an [REDACTED] search was conducted for all Saturn Astra vehicles located within the state of Illinois. Approximately eighteen four-door Astras were identified as registered to addresses in the Champaign County area. Physical surveillance was attempted at said locations. Nine of said vehicles were identified as being colors other than black. Eight of said vehicles could not be located and verified, but additional record checks indicated that six of said vehicles are registered out-of-state.
11. Complainant and Affiant states that on June 12, 2017 contact was made with the registered owners of a black Saturn Astra with a sunroof located in the apartment complex parking lot associated with 2503 West Springfield Avenue, apartment #b2, Champaign, Champaign County, Illinois. The registered owners of said vehicle – Brendt A. Christensen (hereinafter referred to as "Brendt") and [REDACTED] [REDACTED] reside in said apartment.

12. Complainant and Affiant states that on June 12, 2017, an interview was conducted with Brendt Christensen, who advised officers he was playing video games and/or sleeping all day on June 9, 2017. When questioned, Brendt stated that he received a text message from a girl named [REDACTED] at approximately 1:00 P.M. on June 9, 2017, which he replied to at approximately 4:00 P.M. that same day. Brendt stated that his phone number was [REDACTED] and his e-mail address was [REDACTED] n. [REDACTED] stated that she was on a trip to Madison, Wisconsin on June 9, 2017 and stated that her phone number was [REDACTED] and her e-mail address was [REDACTED]

13. Complainant and Affiant states that on June 13, 2017, agents confirmed that Saturn Astras were only manufactured for United States sales in 2008 and 2009.

14. Complainant and Affiant states that on June 14, 2017, officers again observed the Christensens' Astra in the parking lot of their apartment complex and noted a damaged spot on the passenger side front hubcap of said vehicle that matched a damaged spot on the Astra that surveillance video showed Zhang entering on June 9, 2017. Officers also interviewed the Christensens again.

Brendt initially stated that he was at home alone all day playing video games and did not leave his apartment. He eventually admitted that on June 9, 2017 he picked up an Asian female in the Christensens' black Astra on the corner of Clark Street and Goodwin Avenue in Urbana. He told officers that he stopped and asked the Asian female if she needed a ride. She told him she was late for an appointment and, after some discussion, agreed to let him give her a ride. He further stated that he drove her north on Goodwin Avenue for a couple of blocks then turned into a residential area, whereupon she "freaked out" – so he stopped the car, she exited it, and he drove away without observing her direction of travel.

[REDACTED] told officers that she and Brendt have an "open" marriage. She described Brendt as selfish, a good liar, and having an addictive personality. She further stated that in December of 2016, Brendt drank an entire bottle of rum, then told her that he had "daydreams" about killing small animals and even people and that he was bored with life and wondered what it would be like to kill someone. He also told her that his favorite book was "American Psycho" because the main character did not care about anyone or anything. The next day, [REDACTED] confronted Brendt about his comments the night before; he stated he did not remember said comments, but admitted having "passing thoughts" about murdering someone. She reiterated that on June 9, 2017 she was in Wisconsin with [REDACTED] and did not return until June 11, 2017. When she returned, she asked Brendt what he did over the weekend; he told her he ran a couple of errands, but for the most part stayed home. He also told her that he cleaned their Astra on Saturday (June 10). [REDACTED] also stated that on June 12, 2017 around noon or 1:00 P.M. she saw Brendt remove a large green duffel bag from the closet in the kitchen. She observed that the bag was not empty, but was also not completely full. Brendt told her that he had bought a cat tree for [REDACTED] and was going to deliver it to her. He then left their apartment. Brendt later told [REDACTED] that he spent the afternoon of June 12, 2017 with [REDACTED]. On June 15, 2017, [REDACTED] asked [REDACTED] about the duffel bag and cat tree and [REDACTED] told her that she never received the cat tree or saw the duffel bag. [REDACTED] also told [REDACTED] that Brendt did not meet [REDACTED] until 4:30 P.M. on the afternoon of June 12 and that he told her he had been helping [REDACTED] with a computer issue earlier that afternoon. [REDACTED] stated that Brendt did not help her with a computer issue that afternoon. [REDACTED] also checked the Amazon.com account she shares with Brendt and their financial accounts and could not locate a purchase of a cat tree. On June 13, 2017, [REDACTED] said that she and Brendt went to the Refinery Gym to work out. Afterwards, Brendt told her he was going to wash their Astra again. She thought it was odd that he washed the Astra twice in three days, given that he had previously only done so a couple of times since they purchased it in 2012. [REDACTED] also stated that on June 14, 2017, she noticed the gas tank on the Saturn Astra was only half full, which she thought was inconsistent with Brendt's statement that he stayed home all weekend and only ran a few errands. She felt that, given the amount of gas consumed from the last time she

filled the car up on June 8, 2017, Brendt would have had to do a lot more driving over the weekend than he stated.

15. Complainant and Affiant states that on June 15, 2017, Federal Bureau of Investigation agents and UIPD officers searched the Christensens' Astra pursuant to the authority of a federal search warrant. Evidentiary processing of said vehicle is still ongoing.

16. Complainant and Affiant states that on June 15, 2017 he spoke with employees of University of Illinois at Urbana-Champaign Technology Services (located at 1304 West Springfield Avenue, Urbana, Illinois) and learned that there is information/data listed under Brendt Christensen, Network Identification number (NetID) [REDACTED] (which may include subscriber information, e-mail activity and content, authentication logs and records, transaction call logs, flow/network/DNS activity logs, mobile device connections, search information, geolocation data, and/or other information/data) held at/accessible by University of Illinois at Urbana-Champaign Technology Services that may constitute evidence of the above-listed offenses, in that said data/information may help link Brendt Christensen to locations of interest in this investigation or pertain to the Christensen's contemplation, planning, execution, memorialization, and/or concealment of – or communicating about – said offenses.

Lieutenant Tom Geis, being first duly sworn, deposes and states that he has read the foregoing Complaint and Affidavit, and that the facts and information set forth therein as stated by him are true to the best of his knowledge and belief.

On 06-15-17, around 00:11 hrs, Special Agent Anthony Manganaro of the FBI and I (Detective Stiverson, UIPD) interviewed Brendt Christensen at the Federal Bureau of Investigation office located at 2117 West Park Court, Champaign, IL. The following is a brief synopsis of the interview:

STIVERSON, ERIC officer's initials ES approved CM (II1700767 - #A1706826)

Christensen initially denied any contact with Zhang, or even being at the University of Illinois campus on Friday, June 9th, 2017. Christensen told us he had been at home all day playing video games. Christensen later reversed himself and admitted he drove his black Saturn Astra to campus by himself on the day in question and picked up an "Asian female" in the afternoon at the corner of Goodwin and Clark. Christensen told us he drove north on Goodwin after picking her up and turned off quickly into a residential neighborhood, where the victim allegedly "freaked out" on him and wanted out of his vehicle. Christensen told us he pulled over, she exited the vehicle, and he drove away. Christensen could not recall the neighborhood he dropped Zhang off in, but claimed he turned off Goodwin shortly after crossing University Ave (Urbana).

The entire interview was audio and video recorded for evidentiary purposes. A digital copy of the interview was provided to me by Agent Manganaro on DVD, who documented the interview in FBI case #7A-SI-217726. I reviewed the video and it is complete and accurate. On 06-17-17, at 10:00 hrs, I secured the DVD in the small evidence drop box (E-Tag 44901) for evidentiary purposes.

NARRATIVE

On Thursday, June 15, 2017, I, Lieutenant John Brown, was contacted by Deputy Chief Matthew Myrick and asked to assist with a search warrant at 2503 W. Springfield Avenue Apt. B-2, Champaign. I arrived at the

apartment complex at 2110 hours and met with Sergeant James Carter already on scene. We conducted surveillance until Lieutenant Thomas Geis and the Illinois State Police Crime Scene Investigation unit arrived.

The search warrant was executed at 2310 hours. Entry into the apartment was made using a key provided by the female resident. The occupants were not home. A copy of the search warrant was left on the kitchen table. Photographs were taken by Trooper December Melville. She also collected all evidence.

During the search, I directed the collection exhibits 5, 6, 10, and 11, as identified on the ISP evidence receipt. Exhibit 10, "Ecco" brand shoes, were located on the floor near the front door. The outsole was similar to an impression made in power on the floor inside the entrance to the kitchen closet. When examined one shoe appeared to contain a long black hair.

The search was completed at 0436 hours and the apartment was secured. I took custody of the evidence from Trooper Melville at 0500 hours. The ISP evidence receipts are attached to this report. I transported the evidence to UIPD where it was secured. I entered my field notes into evidence.

On 6/13/2017 at approximately 1300 hours I, Detective Murphy, took custody of Yingying Zhang's laptop computer from Detective Stiverson. At 1321 hours I transferred custody of Zhang's computer to Eric Hays, cites security officer and forensic technician. Hays made two mirrored images of Zhang's laptop with I collected on 6/15/2017 at 1603 hours along with Zhang's laptop.

I then created evidence tags for each hard drive with the mirrored images on them. On 6/15/2017 I transferred custody of the lap top and the two hard drives to Detective Stiverson at 1615 hours.

NARRATIVE

On 06-14-2017 at 2:02 pm, I (Ofc Sandwick, #120) was tasked to follow up on a tip that a black 2008 Saturn Astra went on sale in Delaware on 06-12-2017, several days after Yingying Zhang went missing.

I located the link and called the dealership, Chicks Auto Sales, and spoke to a salesman named George Chavez. Chavez advised that they had just purchased the car at auction from the Delaware Auto Exchange on 06-08-2017 and posted the vehicle for sale on 06-12-2017. At the time we spoke, he was off work and could not provide the VIN.

On 06-15-2017, George Chavez sent me a photo of the VIN, [REDACTED] for the Saturn Astra. I contacted the Delaware Auto Exchange and they confirmed that the Saturn Astra with the VIN above was sold at auction on 06-08-2016 to the dealership.

Attached are the notes I printed off and used.

Nothing follows at this time.

This is a great car for the price!! With a 5 year/60,000 mile warranty (KBB) this Saturn is the ideal car for an everyday commute. No issues with the motor or transmission. This car is very smooth and quiet, it also has great Miles for the year. Come down for a drive the outside looks great barely any scratches and the interior is just as nice.

NARRATIVE

On 06-12-2017, I (Ofc Sandwick #120) was tasked to make contact with the University of Illinois Parking Division, the Champaign City Parking Division, and the Urbana Parking Division. I met with these groups, who checked their databases for a black Saturn Astra.

Champaign City Parking Division was able to identify several Saturn Astras from their database and provided a list printout, which I gave to SGT Moore.

On 06-13-2017, I began calling car dealerships in the area to see if one had sold or serviced a black Saturn Astra within the last couple of years. Most were able to go through their databases while some kept their records by VIN instead make/model. Some of the dealerships had gone out of business. See attached sheet with notes.

Of the dealerships, Shields Auto located a black 3 door Saturn Astra, VIN [REDACTED] which was serviced in 2013 and had belonged to a [REDACTED]. See attached license, registration and ARMS print outs.

NARRATIVE

On 06-14-2017 at 3:16 PM, I (Ofc George Sandwick #120) met with Orchard Downs Housing Office staff and made entry into 2013D S. Orchard, Urbana.

I searched for and recovered a toothbrush on the bathroom sink and placed it into a paper bag.

I located a small brush near the toothbrush and placed it into a paper bag.

The small brush did not have much hair on it so I collected some hair off the sink and from a pink pillow located on the bed in the bedroom. I placed these samples into a paper bag.

I exited the apartment and had the apartment re-secured. Before I left the apartment, I reapplied the evidence tape on the screen to the apartment.

At UIPD, I finished preparing the bags as evidence and placed these items into evidence locker #3.

Hello

I had a great dinner on 06/09/2017 night (Beijing time) , and I showed some photos on my social media. She commented "wakaka",like something wow.

Then she connected me at 12 : 57 06/09/2017 by Wechat. She just told me she was in American and she went American in hurry (I think that means she did have time to talk to me that she would go to America a month ago) . Actually we did not connect for a long time so I did not know she was in

America before that happened

I think this message just told us she was fine at that time(12:57 pm 06/09/2017). Hope that is helpful.

Bless yingying!

NARRATIVE

On 06-12-2017, Ofc Milinkovic, #169 and I (Ofc Sandwick, #120) went to One North, 1601 N. Lincoln Ave, Urbana to determine what information they might have regarding Yingying Zhang.

We were directed to the Marketing Manager, Rontrez Stone. Stone stated that he had received contact information to Zhang from their website and texted her on Friday, 06-09-2017, at 9:15 AM about her application. See attached copy of text conversation.

Her two responses to Stone were, "Hi Trez, I'll be late for a while," sent at 1:29 PM and, "May be around 2:10," typed soon after.

Stone followed up on Friday, 06-09-2017 at 2:38 PM and Sunday, 06-11-2017 at 3:09 PM but did not receive a response.

If addition, Stone received a call on Saturday, 06-10-2017 at 10:08 AM from a phone number he did not recognize, [REDACTED] Stone was sleeping in and ignored the call. The phone rang again and Stone spoke to an unknown male who said they were trying to find Yingying Zhang but could not locate her. The person also said that he had called the police. Stone explained to him what he had told me.

NARRATIVE

The longitude coordinates for the GPS track on ZHANG'S cellphone were incorrectly documented in my initial report. The correct coordinates that I used are 088 14 30.044W.

The following is a log of my activity in this case for Monday 6/12/17.

0826 I submitted a request to IL Secretary of State for all Saturn Astra's in Champaign County.

0830 I went to the security office of the Latitude Apartment complex (608 E University) to see if there was video of the vehicle in the area. I was informed that a camera had been installed in the area about one week prior. The staff showed me the live feed that viewed the southwest corner of the building and part of the intersection of University and Wright. They were unable to locate any video files from 6/9/17.

0914 I called the Sprint law enforcement number, but they had no record of the number on their network.

0950 I went to Campus Circle Apartments (1010 W University) to see if there were any security cameras on their parking garage just north of University on Goodwin. The property manager, DALE REX, said the cameras only view the interior of the garage. I reviewed the cameras with REX from the time the suspect vehicle would have been driving northbound on Goodwin, but did not locate it on camera.

1006 I called the T-Mobile law enforcement number. They had no records of the phone using their network.

1050 I went to ZHANG'S apartment and placed two pieces of evidence tape across the exterior door.

1225 I emailed the photograph of the suspect vehicle to LAURA W with the Champaign County Commerce Office and asked her to send it to all of the local hotels.

1320 I requested a statewide search of the suspect vehicle from IL Secretary of State.

1325 I went to the Circle K at University and Wright to see if they had any security cameras in the area. The staff said the cameras only view the front of the store and part of the parking lot and would not have recorded anything travelling north on Wright St.

1330 I went to the security office at the County Market on Stoughton. Loss Prevention agent JIMMY BOPARAI assisted me in reviewing the security camera on the north side of the building facing Stoughton and the parking lot. We reviewed video from approximately 1345 to 1400 on 6/9/17 and did not see the suspect vehicle driving in the 300 block of E Stoughton.

The first part of the paper discusses the importance of the research and the objectives of the study. It then presents a literature review of the existing research on the topic. The second part of the paper describes the methodology used in the study, including the data collection and analysis techniques. The third part of the paper presents the results of the study, and the fourth part discusses the implications of the findings.

The study was conducted using a quantitative research design. Data was collected from a sample of 100 participants. The data was then analyzed using statistical software. The results of the study show that there is a significant relationship between the variables being studied.

The findings of the study have several implications. First, they suggest that the research is important and that it should be continued. Second, they suggest that the research has practical applications. Finally, they suggest that the research has theoretical implications.

In conclusion, the study has shown that there is a significant relationship between the variables being studied. The findings of the study have several implications, including the need for further research, the practical applications of the research, and the theoretical implications of the research.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.2 million (Office of National Statistics 1999). There is a growing awareness of the need to develop services to meet the needs of older people, and a number of initiatives have been developed to address this need. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to improve the lives of older people. The strategy is based on three main principles: (1) to ensure that older people have the opportunity to live independently and actively; (2) to ensure that older people have access to the services and support they need; and (3) to ensure that older people are treated with respect and dignity.

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1998 (Department of Health 1999).
